QUILTOPIA'S QUILTING DESIGN CATALOG

Quilting designs shown in Quiltopia's Quilting Design Catalog are included in the cost of long arm quilting unless it specifically says "dense quilting".

Looking for something specific? Please discuss your ideas with Jill@QuiltopiaCanada.ca who can suggest options. Alternatively, you may browse the Urban Elementz online catalog to select a quilting design. <https://www.urbanelementz.com/catalog-pantograph-download.html>

If you select a quilting design that Quiltopia believes would be re-used then we may provide it at no cost, otherwise, a flat rate charge of \$12 applies.

What makes a great quilting design?

- Empty spaces are no more than the size
- of your fist or about two square inches.
- Patterns nest well together between rows and repeats are not overly noticeable.
- Quilting lines are spaced well apart and not too dense in some areas and not enough in others.
- Complements the quilt rather than compete with the quilt pattern or design of the fabric.
- Will hide inaccurate piecing i.e don't try to match the geometric pattern in the quilt pattern with the quilting design.
