

VAL D'ISERE, FRANCE

FEBRUARY 10 – 17, 2019

The Enzian Ski Club is planning a Winter 2019 ski trip to France. Val d'Isère offers a vast ski area with great snow and optimal weather conditions for skiing. Temperatures are regularly subzero during the day and/or at night during the entire winter season, as well as in April. This maintains snow cover, even without new snowfalls. The snow is always there!

Accommodations: Club Med Val d'Isere, a ski-in/ski-out experience and an all-inclusive resort. 7 nights (double occupancy).

Dates: February 10-17, 2019

Cost: depends on how many people sign up (approximately \$3,000 - \$3,500 per person).

Trip includes:

- Round-trip air fare from Newark Liberty Airport to Geneva-Cointrin Airport.
- Group transfers between airport/hotel (approximately 3 hours by bus).
- All-inclusive dining options with open bar beverages (extra charge may apply for certain beverages).
- Ski pass, instructions and guides.

Notes:

Lift tickets must be returned upon leaving to avoid penalty charges. Ski equipment rental is not included. However, rentals are available.

If you definitely want to join the Enzian skiers on this awesome trip, please contact our president or vice-president *immediately!*
