### *A Message from the Board*

#### *Great News!*

After a four-year hiatus, we will have our Dinner Dance at The Manor again. See details on the next page.

### *Watch What You Wish For !*

As skiers we all love snow, and lots of it. We would spend those long hot summer months dreaming about a great snow base and fresh powder groomed to perfection at our favorite mountain. When we would plunk ice cubes into our cocktail glasses, we could feel the cool air, which would send us into dreams of snowy slopes. We always said there is never enough snow. And if there is, you couldn't wait to pack up and head to the slopes.

The recent storms that are flooding California swept across the country, dumping lots of rain and high winds in the south – and lots of snow across the northern states. Just what skiers wait for! Even northern Arizona got hammered, so much so that if you wanted to get to Arizona Snowbowl you can't get there. I-17 is closed from Sedona to Flagstaff! Monmouth Mountain in California is totally closed – TOO MUCH SNOW!

Moral of the story: watch out what you wish for!

# *Dinner Dance at The Manor*

After a hiatus of four long years without our Dinner Dance, we have a chance to pull off another one - maybe the last one for the Club - on **Sunday, April 23, 2023**, at The Manor. Our challenge is to have a **minimum of 100 people** attending, so we can have this event and honor the people we lost, the friends we still have and especially our President Siegi and his wife Martha for being at the helm for the past 45 years, a team that has been the glue and mortar that has held us together through thick and thin. Their devotion is something other Clubs can only dream about.

So here it is in a nutshell: to make it an easier decision for everyone to attend, the Board has agreed to sponsor a large portion of the cost. Let's all go out and get as many friends, relatives, in-laws and outlaws as possible to come. We did it before, so we know it can be done again.

The unprecedented devastation we experienced since our last Dinner Dance at The Manor has changed our lives forever. We lost so many dear friends during this time, who will be eternally remembered in our hearts. Let this be another memorable event in the life of our great club, being together with all the friends we made over the years, and to cherish the moments we were able to spend together on the slopes, at meetings or just being in each other's company.

It has been a great time together so far, hopefully not the last one. Like we always said at the end of a wonderful day on the slopes: "ONE MORE RUN!" But let's not forget the lyrics - Enjoy yourself, its later than you think - and be proud to be an ENZIANER. SKI HEIL!

Siegi unfortunately will not be able to be there with us in person, but we are going to set up a large screen so he and Martha can join us via Zoom from the safety of their home.

We hope to see you at The Manor on April 23!  
Auf Wiedersehen. Stay Well, Stay Safe!

To secure the same room at The Manor as before, it is imperative that you **send your check before February 20, 2023** to our Treasurer, Inge Biehl. If we are not able to meet this goal, The Manor will no longer hold the room, which means we would have to cancel the Dinner Dance.

MEMBERS: \$75.00 per person

GUESTS: \$120.00 per person

Please send your check **BEFORE 2/20/2023** to:
