*September 22: first day of autumn
New month, new chapter,
New page and new wishes.
May the month give you courage,
strength, confidence, patience,
self-love and inner peace.*

Since not enough people signed up, the club was not able to book a ski trip. A few members will be joining the Boston Ski Club on their trip to Grindelwald, Switzerland in 2025.

Sending **SEPTEMBER** birthday wishes to Inge Biehl and Lisa Ilaria

During the three-day Labor Day weekend, many Americans will travel, shop for deals online and in-store and maybe sneak in one final visit to the beach or neighborhood pool. However, the federal holiday is much more than just the summer's last hurrah. Observed each year on the first Monday of September, Labor Day is at heart a celebration of the hard-won achievements of America's labor movement and a recognition of what workers have contributed to the nation's prosperity. Rooted in the labor movement of the 19th century, the holiday originated during a dismal time for America's workers, who faced long hours, low wages and unsafe conditions. As labor unions and activists advocated and fought for better treatment for workers at the height of the Industrial Revolution, the idea arose to establish a day dedicated to celebrating the members of trade and labor unions, according to History.com. Even today, many Americans continue to celebrate Labor Day with parades and parties – festivities outlined in the first proposal for a holiday, according to the U.S. Department of Labor. Since those early celebrations, Labor Day is now also marked with speeches by elected officials and community leaders who emphasize the economic and civic significance of the holiday.
