## BATON ROUGE ALUMNAE CHAPTER

*April 2020*

**We hope everyone is staying home and staying well during this uncertain time. We are grateful to all of the medical workers, mail carriers, grocery workers, restaurants, and everyone who is working to keep things going during these trying times.**

**Because there are not any events happening now, this newsletter focuses on Recruitment 2020.**

**We are grateful to our Recruitment Alumnae Advisors - Jennie Schmidt Dugas, Katherine Nesser, Olivia Olinde Schoen. They are continuing their work with the Recruitment Team to prepare for August.**

**There are some important changes that have been made by LSU Panhellenic concerning the times of the parties during Recruitment.**

**This will change when alums attend parties!**

Recruitment week will now start Monday, August 17 and end Sunday, August 23.

This means **Bid Day will be on a Sunday instead of a Saturday.**

The time of the parties is also changing due to LSU wanting to put more emphasis on Welcome Week for incoming Freshman.

- **Ice Water parties will not start until 4:30 pm and will last until 10 pm.**
- **1st day of Philanthropy parties will begin at 4 pm and last until 10:25 pm.**
- **2nd day of Philanthropy parties will begin at 2 pm and last until 6:50 pm.**
- **Sisterhood parties will begin the next day at 12 pm and last until 9:45 pm.**
- **Preference round parties will begin at 3 pm and last until 9:15 pm.**

The university is moving toward an orientation model that involves lots of events, programs and activities during the week before school starts (Welcome Week). This has traditionally been the same times as formal recruitment. Because many of these events and activities will benefit all incoming students, the goal is to have minimal overlap between the two schedules (Welcome Week and Recruitment).

***Bid Day -***

The collegians are looking for an alum to **host Bid Day** at their home. If you are interested or have questions, please respond to this email.

***Ms. Edna -***

Tri Delta Foundation committees work hard to help those in need. One of our own beloved alums, Ms. Edna Patterson was a recent recipient of the Alumnae Crescent Fund. She hasn't been able to work since late January due to problems with her knee and had been greatly missed at the Tri Delta House. Her original surgery date was postponed due to current hospital restrictions and is now scheduled for May 14. Several Delta Omega collegians were awarded funds after the August 2016 flood and we are now grateful for the assistance offered to Ms. Edna. It is wonderful to know that our foundation has helped local sisters in need.

We all want Ms. Edna to get her new knee. If you would like to send a card to Ms. Edna Patterson, send to: 2214 Georgia St., Baton Rouge, 70802.
