THE CHIEF'S MESSAGE:

As Chief of the Caledonian Club of San Francisco I extend to you, on behalf of the club, a cordial welcome to our 97th Annual Gathering and Games.

Today Scotsmen and their descendents again have gathered to participate in piping, dancing, drumming, and sports competition which are close to the hearts of Scots the world over. The growth and popularity of piping and Highland Dancing in Northern California can be attested to by the ever increasing number of competitors and pipe bands appearing today. Because of the keener competition, which has resulted in an improvement in techniques, the competitors from this area can now match in many events the championship caliber of our Canadian Visitors.

It was therefore not surprising, that the Scottish Official Board of Highland Dancing awarded to our Games the Western U.S. Highland Dancing Championships which will be one of the highlights of todays program and will be an official part of our annual games in future years.

It was with sincere regret and a deep sense of loss to the club and our Games that we learned of the passing of Past Chief Malcolm J. MacDonald. Recognizing his many years of service to the club and his work in organizing and managing our sports program at the games over the last 50 years, a Perpetual Trophy in his name is being competed for in the 440 Yard Run in our Track Events.

With our growth in attendance and competition, we have recognized the need for larger and more adequate facilities, both for the spectators and competitors alike. With this in mind, the Games Committee were fortunate in obtaining the use of the modern stands and other facilities in Santa Rosa. The help and co-operation of the Fairgrounds Management and the Civic Bodies in Santa Rosa has been most gratifying.

As is the case in all groups, the organizing and planning of an event such as this falls to a few dedicated men who give unsparingly of their energy, time and talents to assure its success. So has it been, with my hard working Games Committee.

To them must go all the credit for what we are enjoying today.

Sincerely,

Thomas P. Wicklow, Chief

On behalf of the City of Santa Rosa, it gives me great pleasure to send this message of welcome to the Caledonian Club of San Francisco and to all who attend the Scottish Gathering of the Clans and the Highland Games, participants and spectators.

This is the first time that this annual event takes place in Santa Rosa. To mark the occasion, our Chamber of Commerce is presenting a City of Santa Rosa Trophy for the best Highland Piping Quartet. This will give Santa Rosans an extra reason for enjoying the skirling of the bagpipes and the swirling of the colorful kilts.

Afterwards, I hope many of our visitors will take the opportunity to see something of our fast-growing "city designed for living" and some of the surrounding beauty spots and resort areas. We believe we have a wonderful combination of attractive living conditions and healthy growth in Santa Rosa.

The City is happy indeed to have the Scottish Gathering take place here and I send good wishes to all who take part in the Games.

GREETINGS

It is a great pleasure for me to extend San Francisco's warm greetings and best wishes to all members of the Caledonian Club of San Francisco and their many guests attending today's Caledonian Games. I express our special welcome also to the visitors from other Western States and Canada, and it is my sincere hope that their visit to the Bay Area will be pleasant in every way.

This annual gathering of the clans for the Games, the Open Highland Dancing Championships and the tossing of the caber, is truly an outstanding event, and the Caledonian Club reflects San Francisco's deep interest in the sports, the music, the costumes and the cultures of other countries. San Francisco is indeed fortunate to have such an outstanding Scottish community, and we greatly value the friendship and good citizenship of these splendid people.

I know the 97th Annual Scottish Gathering and Games Day will be another great success, and I extend to all present my best wishes for a most enjoyable day.

TO SCOTLAND

—WITH FRIENDS!

(Only \$568.80 each round-trip to Glasgow)

BOAC offers you a choice of jet flights from San Francisco to Scotland. You can fly from San Francisco to New York, then join a direct flight to Glasgow. Or you can fly non-stop from San Francisco to London, in less than ten hours, then join one of the frequent flights from London to Glasgow.

Take advantage of the great savings on the new Group Fares. You and 24 others of your approved group or organization will pay only \$568.80 each, round-trip, San Francisco to Glasgow via New York. Slightly more if you fly via London. Either way, your holiday starts the moment you step aboard a BOAC Rolls-Royce 707 Jetliner. That's when you'll be greeted and regaled by traditional BOAC Cabin Service.

Ask your Travel Agent or BOAC for full details of the new year-round Group Fares.
