Our Services

At Elite Strategic Services, we take pride in offering a comprehensive suite of services tailored to meet your inspection and quality assurance needs. Our range of services includes:

Inspection Services

Our team of certified inspectors conducts thorough inspections of equipment, machinery, products, and process to ensure compliance with industry regulations and standards. We provide detailed reports and recommendations to help you address any issues and maintain optimal performance.

NDT Testing

Our Non-Destructive Testing (NDT) services utilize advanced techniques such as ultrasonic testing, radiographic testing, magnetic particle testing, and dye penetrant testing to identify defects and flaws in materials and components without causing damage. Our NDT specialists are highly trained and experienced in detecting and evaluating discontinuities to ensure the integrity and reliability of your assets.

Welding Consultancy

Our welding consultancy services provide expert guidance and support to ensure the integrity and quality of welding processes in various industries. We offer welding procedure specification (WPS) development, welder qualification testing, welding procedure qualification testing, and weld inspection services to help you achieve and maintain compliance with industry standards and specifications.

NDT Training

As part of our commitment to excellence, we offer comprehensive NDT training programs designed to equip individuals with the knowledge and skills needed to perform inspections accurately and effectively.

Why Us ?

Experienced Engineers:

With years of hands-on experience and a deep understanding of industry regulations and best practices, our engineers are equipped to handle even the most complex inspection challenges with confidence and precision.

Comprehensive Services:

Whether you require routine inspections, specialized testing, or expert consultation, we have the expertise and resources to deliver tailored solutions that exceed your expectations.

Commitment to Quality:

Quality is at the core of everything we do. We adhere to stringent quality control measures and industry standards to ensure that our inspection processes are consistently reliable and accurate.

Client-Centric Approach:

We prioritize your needs and objectives above all else. Our client-centric approach means that we take the time to understand your unique requirements and tailor our services to meet your specific goals. We believe in open communication, transparency, and collaboration every step of the way, ensuring that you are always informed and involved in the inspection process.
