

**MEMORANDUM OF UNDERSTANDING
DEVELOPMENT OF A GROUNDWATER SUSTAINABILITY PLAN
FOR THE SAN LUIS REY VALLEY GROUNDWATER BASIN**

This Memorandum of Understanding for the Development of a Groundwater Sustainability Plan (“Plan”) for the San Luis Rey Valley Groundwater Basin (“MOU”) is entered into and effective this 27 day of June, 2017 by and between the Pauma Valley Community Services District (“Pauma Valley CSD”), Upper San Luis Rey Resource Conservation District (“USLRRC”), Yuima Municipal Water District (“Yuima MWD”) and the County of San Diego (“County”). The Pauma Valley CSD, USLRRC, Yuima MWD and the County are each referred to herein as a “Party” and are collectively referred to herein as the “Parties”.

RECITALS

WHEREAS, on September 16, 2014, Governor Jerry Brown signed into law Senate Bills 1168 and 1319 and Assembly Bill 1739, known collectively as the Sustainable Groundwater Management Act (“SGMA”) found at California Water Code Section 10720, *et seq*; and

WHEREAS, SGMA went into effect on January 1, 2015; and

WHEREAS, SGMA seeks to provide sustainable management of groundwater basins, enhance local management of groundwater, establish minimum standards for sustainable groundwater management, and provide local groundwater agencies the authority and the technical and financial assistance necessary to sustainably manage groundwater; and

WHEREAS, the Parties have each declared to be a Groundwater Sustainability Agency (“GSA”), per Section 10723.8 of SGMA, overlying portions of the Pauma Valley Subbasin of the San Luis Rey Valley Groundwater Basin (“SLR Basin”) [Figure 1], identified as Basin Number 9-7, a Bulletin 118 designated medium-priority basin; and

WHEREAS, Section 10720.7 of SGMA requires all basins designated as high- or medium-priority basins designated in Bulletin 118 be managed under a Plan or coordinated Plans pursuant to SGMA; and

WHEREAS, Section 10720.7 of SGMA requires all high- and medium-priority basins be managed under a Plan by January 31, 2022; and

WHEREAS, the California Department of Water Resources (“DWR”) has identified the SLR Basin as medium priority; and

WHEREAS, each Party has statutory authorities that are important to groundwater management and SGMA compliance and are all local agencies who are eligible to serve as a GSA within their respective service areas; and

WHEREAS, Section 10720.3 of SGMA provides that a federally recognized Indian tribe may voluntarily agree to participate in the preparation or administration of a groundwater sustainability plan; and

WHEREAS, the Parties wish to use the authorities granted to them pursuant to SGMA and utilize this MOU to memorialize the roles and responsibilities for developing the Plan; and

WHEREAS, it is the intent of the Parties to eliminate any overlap by forming a multi-agency GSA, via this MOU (and per Section 10723.8(c) of SGMA), within the Pauma Valley Subbasin of the SLR Basin and collectively developing and implementing a single Plan to sustainably manage the Pauma Valley Subbasin in the SLR Basin; and

WHEREAS, the Parties recognize that this MOU does not confer additional powers or authorities to a Party outside of that Party's jurisdictional boundaries, as shown on Figure 2; and

WHEREAS, it is further the intent of the Parties to cooperate in the successful implementation of the Plan not later than the date as required by SGMA for the SLR Basin; and

WHEREAS, the Parties wish to memorialize their mutual understandings by means of this MOU; and

NOW, THEREFORE, in consideration of the promises, terms, conditions, and covenants contained herein, the Pauma Valley CSD, USLRCD, Yuima MWD and the County hereby agree as follows:

The Members shall have authority from the appointing agency's Governing Body to act on behalf of that agency. The members should be knowledgeable about SGMA and/or groundwater management in the San Luis Rey Valley Groundwater Basin.

1. County: The County's primary responsibility is to act as the coordinator of the GSA on behalf of the Parties for the purposes of development and adoption of the Plan:
 - a. The County shall hire the consultant(s) to complete required components of the Plan. The contracting shall be subject to the County's competitive bid process, as applicable, and be subject to auditing by the County's Auditor and Controller.
 - b. The County shall fund the costs for the consultant(s) to complete the Plan.
 - c. The County Board, on behalf of the Parties, after receiving input and recommendations from the Executive Team, will be the sole approval body amongst the Parties for the Plan for the SLR Basin. The County shall submit the Plan to DWR pursuant to SGMA.

2. Executive Team: The Executive Team’s primary responsibility is to consult with and advise the County Team on issues of importance and on the activities described in the MOU.
 - a. Each member of the Executive Team shall be responsible for keeping his/her respective management and governing board informed of the progress towards the development of the Plan and for obtaining any necessary approvals from management/governing board in its participation in the Plan process.
 - b. The Executive Team will provide readily available information and data to the County Team regarding the development of a Plan that achieves the goals and objectives outlined in SGMA.
 - c. The Executive Team will provide input and recommendations on matters including but not limited to:
 - i. Water budget;
 - ii. Projects/Management actions (including any proposed enforcement actions and curtailments); and
 - iii. Plan implementation measures:
 - A. Fee assessment and financing options; and
 - B. Governance structure and future agreements for implementation of SGMA.
3. County Team: The County Team’s primary responsibility is to direct and coordinate Plan activities and to develop a coordinated Plan that complies with SGMA and the Emergency Regulations.
 - a. The Plan shall include, but not be limited to enforcement measures, a detailed breakdown of each Party’s agreed upon responsibilities for Plan implementation, anticipated costs of implementing the Plan, and environmental review.
 - b. In conjunction with Plan preparation, a Cost Recovery Plan shall also be prepared, if necessary and in compliance with all applicable laws.
 - c. The County Team shall:
 - i. Develop and implement a Stakeholder Engagement Plan, with input from the Executive Team, which shall consider the interests of all beneficial uses and users of groundwater as listed in Section 10723.2 of SGMA.
 - ii. Establish a schedule, and coordinate and participate in regular meetings of the Executive Team to discuss Plan development, tasks, milestones, ongoing work progress, and future implementation activities. This is intended to provide for consistent and effective communication between Parties.
 - iii. Develop a timeline that describes the anticipated tasks to be performed under this MOU and dates to complete each task (“Plan

Schedule”). The Plan Schedule will allow for the preparation of a legally defensible Plan and includes allowances for public review and comment, and input by the Executive Team prior to deadlines established by SGMA.

- iv. Develop a scope of work, budget, and Cost Recovery Plan, for the work to be undertaken pursuant to this MOU. The Cost Recovery Plan, if approved, may include cost recovery options to fund a Party’s implementation costs, to the extent authorized by law.
 - v. Keep the Executive Team informed of the progress toward the development of the Plan.
 - vi. Seek input and recommendations from the Executive Team to ensure development of the Plan is a collaborative effort amongst all Parties.
- d. The County Team, in partnership with the Executive Team or independently, may pursue grants, services and other funding opportunities to benefit the Parties and the Plan. County Team responsibilities may also therefore include grant administration on behalf of the Parties.

V. Decision Making

- 1. During Plan development, the Executive Team shall provide a series of group recommendations to the County Team on various key issues including, but not limited to, items referenced in Section IV.2.c during Plan development.
- 2. The Executive Team shall work in a manner that seeks to achieve Consensus for the group recommendations to the County Team.
- 3. The County Team will provide the Executive Team adequate time (30 days) in which to make recommendations on major issues as described in Section IV.2. If Consensus cannot be reached on a particular issue the County Team will then make a final decision concerning the issue.
- 4. If the Executive Team provides a Consensus recommendation that the County Team disagrees with, the County Team must provide a detailed description and justification of the reason(s), supported by the requirements of SGMA, why the County Team proposes not to include the Executive Team’s recommendation. Such required justification shall be provided to the Executive Team within a reasonable period of time.

VI. Indemnification.

- 1. Claims Arising From Concurrent Acts or Omissions.

To the extent authorized by California law, and notwithstanding Government Code Section 895.2, each Party hereby agrees to defend itself from any claim, action, or proceeding arising out of the concurrent acts or omissions of the Parties. In such cases, Parties agree to retain their own legal counsel, clear their own defense costs, and waive their right to seek reimbursement of such costs.

2. Joint Defense

In cases where Parties agree in writing to a joint defense, Parties may appoint joint defense counsel to defend the claim, action or proceeding arising out of the concurrent acts or omissions of Parties. Joint defense counsel shall be selected by mutual agreement of Parties. Parties agree to share the costs of such joint defense and any agreed settlement in equal amounts. Parties further agree that no party may bind another to a settlement agreement without the written consent of all Parties.

3. Reimbursement and/or Reallocation

Where a trial verdict or arbitration award allocates or determines the comparative fault of the Parties, Parties may seek reimbursement and/or reallocation of defense costs, settlement payments, judgement and awards, consistent with such comparative fault.

VII. Litigation.

In the event that any lawsuit is brought against any Party based upon or arising out of the terms or obligations imposed by this MOU, or the development of a Plan, by a person or entity who is not a Party to this MOU, the Parties shall cooperate in the defense of the action. Each Party shall bear its own legal costs, if any, associated with such litigation, though the County as the Party to the GSA preparing and adopting the Plan for the SLR Basin, shall be responsible for defending the Plan throughout preparation, adoptions by the County Board, and validation pursuant to Section 10726.6 of SGMA, where validation is necessary, however, each Party shall still bear its own legal costs, if any, in any such litigation.

VIII. Books and Records.

Each Party shall have access to and the right to examine any of the other Parties' pertinent books, documents, papers or other records (including, without limitation, records contained on electronic media) relating to the performance of that Party's obligations pursuant to this Agreement, providing that nothing in this paragraph shall be construed to operate as a waiver of any applicable privilege. Each Party shall keep this information confidential to the extent allowed by law.

X. Miscellaneous.

1. Term and Duration of Agreement. Except as provided in this Section, this MOU shall remain in full force and effect until the date upon which the Parties, except those Parties no longer participating in the MOU due to withdrawal or otherwise, have all executed a document terminating or modifying the provisions of this MOU.
 - a. Planned Reevaluation of Agreement. The Parties agree to evaluate, and in good

faith negotiate, whether to replace this MOU with a different legal agreement, to potentially include the creation of a joint powers authority, on or before the submission of a Plan to DWR. Future amendments to this MOU may include considerations of alternative GSA governance structure(s) by mutual agreement of the Parties, including additional GSA-eligible entities.

- b. Withdrawal from MOU. Any Party may withdraw from this MOU by delivery of written notice to withdraw to all of the other Parties at least 60 days prior to the date of proposed withdrawal. Such withdrawal shall not affect the legally binding status of the MOU or otherwise change the legal rights or obligations of any other Party to this Agreement. Prior to its date of proposed withdrawal from this MOU, a Party is required to withdraw, per Section 10723.8(e) of SGMA, its GSA notification from DWR, or that Party's withdrawal from the MOU will not be effective. That Party or any assignee may choose to continue participating in Executive Team meetings.
 - c. Dissolution or Change in Status. If a Party dissolves or has a change in status as a local agency, pursuant to Section 10721(n) of SGMA, such withdrawal shall not affect the legally binding status of the MOU or otherwise change the legal rights or obligations of any other Party. That Party may choose to continue participating in Executive Team meetings.
2. No Third Party Beneficiaries. This Agreement is not intended to, and will not be construed to, confer a benefit or create any right on a third party, or the power or right to bring an action to enforce any of its terms.
 3. Amendments. This Agreement may be amended only by written instrument duly signed and executed by all Parties.
 4. Compliance with Law. In performing their respective obligations under this MOU, the Parties shall comply with and conform to all applicable laws, rules, regulations and ordinances.
 5. Jurisdiction and Venue. This MOU shall be governed by and construed in accordance with the laws of the State of California, except for its conflicts of law rules. Any suit, action, or proceeding brought under the scope of this MOU shall be brought and maintained to the extent allowed by law in the County of San Diego, California.
 6. Waiver. The waiver by any Party or any of its officers, agents or employees, or the failure of any Party or its officers, agents or employees to take action with respect to any right conferred by, or any breach of any obligation or responsibility of this Agreement, will not be deemed to be a waiver of such obligation or responsibility, or subsequent breach of same, or of any terms, covenants or conditions of this Agreement, unless such waiver is expressly set forth in writing in a document signed and executed by the appropriate authority of the Parties.
 7. Authorized Representatives. The persons executing this Agreement on behalf of the Parties hereto affirmatively represent that each has the requisite legal authority to enter into this Agreement on behalf of their respective Party and to bind their respective Party to the terms and conditions of this Agreement. The persons

executing this Agreement on behalf of their respective Party understand that the Parties are relying on these representations in entering into this Agreement.

8. Successors in Interest. The terms of this Agreement will be binding on all successors in interest of each Party.
9. Severability. The provisions of this Agreement are severable, the adjudicated invalidity of any provision or portion of this Agreement shall not in and of itself affect the validity of any other provision or portion of this Agreement, and the remaining provisions of the Agreement shall remain in full force and effect, except to the extent that the invalidity of the severed provisions would result in a failure of consideration or would materially adversely affect any Party's benefit of its bargain. If a court of competent jurisdiction were to determine that a provision of this Agreement is invalid or unenforceable and results in a failure of consideration or materially adversely affects any Party's benefit of its bargain, the Parties agree to promptly use good faith efforts to amend this Agreement to reflect the original intent of the Parties in the changed circumstances.
10. Entire Agreement.
 - a. This Agreement constitutes the entire agreement between the Parties and supersedes all prior negotiations, representations, or other agreements, whether written or oral.
 - b. In the event of a dispute between the Parties as to the language of this Agreement or the construction or meaning of any term hereof, this Agreement will be deemed to have been drafted by the Parties in equal parts so that no presumptions or inferences concerning its terms or interpretation may be construed against any Party to this Agreement.
11. Counterparts. This MOU may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.
12. Recitals. The recitals stated at the beginning of this MOU shall be conclusive proof of the truthfulness thereof and the terms and conditions of the recitals shall be deemed binding terms and conditions of this MOU.
