

GROUNDWATER USER SELF-CERTIFICATION

This form provides the opportunity for groundwater users to report to the Upper San Luis Rey Groundwater Management Authority the amount of water extracted from their well(s) for the most recently completed water year.

Water Years run from October 1st to September 30th and are designated by the 2 years in which they fall, i.e., Water Year 24-25.

The information provided by you (the groundwater user) will be used to calculate the water well extraction fee needed for the maintenance of the basin. The information collected by filling out the self-certification is confidential and private to the maximum extent allowed by law and will not be disclosed unless required by law.

IF YOU DO NOT HAVE OR EXTRACT WATER FROM A WELL, PLEASE CONTACT GSA TO BE REMOVED FROM THIS LIST.

Please complete the self-certification in its entirety. For additional information or questions, please feel free to contact Lance Andersen at (619) 320-8874.
