HAGA

Breeders' Futurity & Elite Showcase

FUTURITY

The purpose of the Futurity is to encourage and promote Gelbvieh juniors as well as premier breeders through the Futurity Sale & Show. Any Futurity female purchased in the HAGA Breeders' Futurity & Elite Showcase Sale through SC Online Sales is eligible to show in the Futurity at the Missouri State Fair the purchasing year. Thanks to the HAGA, sponsors, as well as the consigners on this sale there will be at least \$1,500 in cash awards for the 2024 Futurity Show! For more information, please visit heartofamericagelbvieh.com.

AUCTION

The auction will be on sconlinesales.com. It will go live at 7:00 AM CST and will be open until 7:00 PM CST, when extended bidding will start. Extended bidding will continue until there has been no bidding activity for the duration of the set extended bidding increment. At that time, the event will close and all lots will be declared sold to the highest Bidder.

TERMS

Payments for the sale must be paid through SC Online, private pay between buyer and seller is prohibited. All shipping and transportation on live and frozen lots are at the responsibility and expense of the buyer. All other lots including Picks or Flushes are done at the sellers convenience. Sellers are responsible for obtaining health papers and transferring ownership. For more information please visit [the heartofamericagelbvieh.com](http://heartofamericagelbvieh.com)

DAM: JNCC 764E

HIGH MS EMMA 9E100 ET

JNCC 455B

The Empire daughters have been flat good and this black one may be the best one yet. She's green, but study this one at an angle and she's got the right kind of rib shape, power, foot size and presence combined with the sweetest disposition - she'll be competitive in that Fall Division for any junior, any age. The potential for this one is endless - as a 72% Balancer that cracks the top 25% milk, top 10% docility, is multi-pooled, hetero black, has a 558 WW, and a 111 ratio coming off of a Dam of Merit, 273Z daughter with a 108 weaning ratio and 367 calving interval on four calves. All in all, Raven is going to be a fun one in the ring, in the pasture, and in the donor pen.

HIGH MS CALAMITY JANE 14A70 ET

The Tops Down calves are making a name for themselves in and out of the show ring, and when lined up to one of our most prolific cow families - they knock it out of the park. For a fall calf to have this much mass and dimension all the way through while still being so flexible is pretty impressive. She might be one of the youngest females in the offering, but she's already had her first show ring debut and we expect great things to come!

2022 SHOW BULL OF THE YEAR

2021 WESTERN REGIONAL CHAMPION

Empire is out of the great Astro AI sire and our HIGH Ms Emma 9E100 donor. Empire is one of the most complete, fault free purebred bulls we have seen. When that much stoutness and power comes with a lot of look, presence and body that can still get out and go on excellent feet and legs - it's been easy to find ways to utilize him. His first calf crop produced the division 1 champion female at 2023 Jr National for ABCS Gelbvieh, High Selling heifer for Beastron Ranch in Limited Run Sale and Reserve Division bull calf at Tulsa and NAILE. In 6 trips through the ring he has been Grand Champion 4 times and Reserve Grand Champion twice. His older maternal brothers, Butch & Sundance are the only bulls to have ever beaten him.
