

# Zonex-K Industrial Cleaner

- *One ounce makes a gallon of powerful all-purpose cleaning solution.*
- *Cleans anything washable.*
- *Saves money.*
- *Biodegradable ... will not contaminate or pollute water resources.*
- *Pine scented.*

## A Powerful General Purpose Cleaner

Zonex-K is a highly effective general purpose cleaner, ideal for any surface not harmed by WATER. It transforms ordinary water into a tremendously effective cleaning solution which removes dirt, grease and grime in seconds. It's ideal for woodwork, concrete, metal, machinery, vehicles and "a thousand and one" other uses.

## Leaves Surfaces Sparkling Clean With A Fresh New Smell

With Zonex-K you whisk away dirt, grease and grime in a hurry. The only thing left behind is a clean, fresh aroma. It restores a surface's original look; rinses freely from all surfaces and leaves no stain, streaks or film. The streakless feature makes it extremely suitable for glass cleaning.

## All You Do Is Add The Water

Zonex-K is so powerful that only one ounce (29.57 ml) transforms a gallon (3.79 liters) of ordinary water into a tremendously effective cleaning agent which washes away dirt, grease and grime in seconds. Just add hot or cold water and it's ready for action. This means simplicity and speed - a savings

***Zonex-K's powerful cleaning action makes short work of tough jobs.***

of time and money. The cleaning job to be done determines how much cleaner is added to water. Written instructions tell you the exact mixture you'll need for most cleaning jobs.

## A Great Universal Cleaner

No matter how small or large your requirements, you'll find Zonex-K is the cleaner for you. From the toughest, hard-to-clean surface to the simplest cleaning task, Zonex-K makes it easy. It's no longer necessary for you to stock several specialized cleaners. All-purpose Zonex-K does every cleaning job you'll ever face.

## Active Chemical Ingredients Provide 3-Step Cleaning Cycle

Zonex-K contains active chemical ingredients which remove dirt, grease, grime and microscopic particles. The unique cleaning action is a three-step cycle which loosens microscopic particles and dirt, holds them in suspension and then rinses the surface clean.

## **Saves You Money & Time**

Zonex-K Industrial Cleaner is a cleaning additive in highly concentrated form. One ounce (29.57 ml) added to a gallon (3.79 liters) of water produces a powerful cleaning solution. Actual cleaner cost is thereby reduced to pennies a gallon. Compared to conventional cleaners, only half as much Zonex-K Cleaner is required which means you enjoy big savings. With powerful Zonex-K Cleaner, cleaning jobs require less time, too. Therefore, you reduce labor costs to a minimum. You will save on inventory costs too, because all-purpose Zonex-K reduces your need to stock a variety of specialized cleaners. And there's absolutely no waste; unusable residue doesn't form in the bottom of container. With Zonex-K you save all around.

## **Completely Safe To Use Anywhere**

Zonex-K is completely safe to use anywhere. It's nonflammable, cannot burn. It smells clean and is gentle enough for hand cleaning. It is safely used on delicate surfaces such as glass and auto paint. As a rule of thumb, it's safely used on any surface water won't harm.

## **Easily Adapted To Your Present Cleaning Operations**

No special equipment is required for mixing Zonex-K. It is easily applied with mop, cloth, brush or spray, making it compatible with any type of cleaning operation. Whether you're using a steam cleaner, spray equipment or simpler methods, you'll find Zonex-K costs less and cleans better.

Zonex-K is concentrated for economy ... gives you one cleaner for all jobs.

- **Removes Old Wax From Floors** -- Eliminates the need for costly specialized wax remover, provides single application solution for removal of wax from asphalt tile, rubber tile, cork, wood, terrazzo or concrete floors.

- **Cleans Concrete Surfaces** -- Grimy stained concrete surfaces come clean.
- **Makes Walls & Woodwork Look Bright & Shiny** -- Even heavily stained areas, fingerprints and stains disappear.
- **Machinery & Equipment Come Clean** -- Dirty equipment washes clean.
- **Engines Can't Resist Zonex-K** -- This task, one of the toughest cleaning jobs around, is no problem for Zonex-K. Just mix and wash.
- **Vehicles Get The Zonex-K Treatment** -- Even heavy dirt, grease and grime can't beat Zonex-K when it cleans up vehicles.
- **Steam Cleaning** -- Use it with your steam cleaner for super cleaning.
- **Windows & Glass Surfaces Glisten** -- No streaks, no stains, no film.
- **Tank Cleaning & Dip Baths** -- A solution for this process is Zonex-K.
- **Hand Washing** -- When the tough job's done, Zonex-K becomes a really effective, gentle, but strong, hand cleaner. It can be used in liquid soap dispensers.

## **Exceeds US Specifications**

ZONEX-K surpasses U.S. Federal Specification P-D- 220a, Type II, Class II for General Purpose Detergents.

## **Application**

ZONEX-K is quick and easy to use. Just add to hot or cold water. No special mixing equipment needed. Effortless cleaning is achieved by using a mop, sponge, cloth, brush, dip bath or spray. For most cleaning, only one ounce (29.57 ml) is needed to prepare a full gallon (3.79 liters) of cleaning mixture. Add slightly more for heavily soiled surfaces, according to recommendations printed on the container.

**Note:** See Product Container Label or Product Data Bulletin for complete application information.
