

Picture Day! Thursday, March 15th

Spring is in the air and you know what that means! It's time for Picture Day! Our photographers will begin taking pictures bright and early at **6:30am** and will continue throughout the morning. When dressing your child for pictures please remember that we will still proceed with our regularly scheduled events, including outdoor play. Unfortunately, there is no "make-up" day for any children who may be absent. Please arrive on time, by 9am, as this process is very quick.
Note: DHLC teachers are not responsible for your child's hairstyle or attire.

10-Hour Quality Days @ DHLC

DHLC believes in offering quality care; however, our care doesn't take the place of your child's need to be with you. *NC Division of Childcare recommends that a child not exceed 10 hours in a day in the care of others; and as a quality Center we will enforce this 10-hour-day rule.*

Daylight Savings Time Begins Sun., Mar. 11th Spring Forward One Hour!

Remember to **WASH YOUR HANDS** when entering your child's classroom. Handwashing is the number one defense against germs!
