SAE Spotlight - Noah Taylor

This month we're celebrating Noah Taylor for his outstanding Supervised Agricultural Experience in fishing lures! Noah has been logging his hours in AET while managing and marketing his business for his lures. His lures play a vital role in agriculture by being marketed and sold with his own person business. In addition, Noah makes and sells the fishing lures produced, showcasing both his hard work and entrepreneurial skills. Congratulations Noah!!

Boosters

Our FFA is proud to have such an amazing and supportive Boosters club. They fundraise independently from the FFA and help with the many needs of our chapter. Recently our boosters are currently planning our annual Plowers dinner which will be held on February 5th at Luigi's Warehouse. Any parent considering to join can attend the next meeting on October 8th at 6pm in AG room 208.

Teacher Feature:

We are so proud of all of our students that showed livestock and those who entered projects at the Kern County Fair!

This Month in Pictures

FFA Trunk or Treat

BCHS FFA is hosting Trunk or Treat this year in the BCHS parking lot on October 22nd at 6 P.M. This event is open to the public so bring all your friends out. Come and join us for a great time and to show off your Halloween costumes.

Community Service -

- This month BCHS FFA is doing a breast cancer awareness drive. You can help with the drive to get community service hours. You can also bring blankets, beanies, and socks to donate to people with breast cancer. Donation boxes are in the front office, room 208, and 209.
- Our FFA section is also hosting a canned food drive. You can get community service hours for helping out. It is October 1st till October 30th. Your ag teacher will be collecting the canned goods in their classrooms.

1st meeting

On Aug 27 we had our back-to-school barbecue. FFA students met their new FFA officers and heard from our BCHS FFA Boosters.
