Outdoor Recreation	<input type="checkbox"/>	Equine	<input type="checkbox"/>	_____	

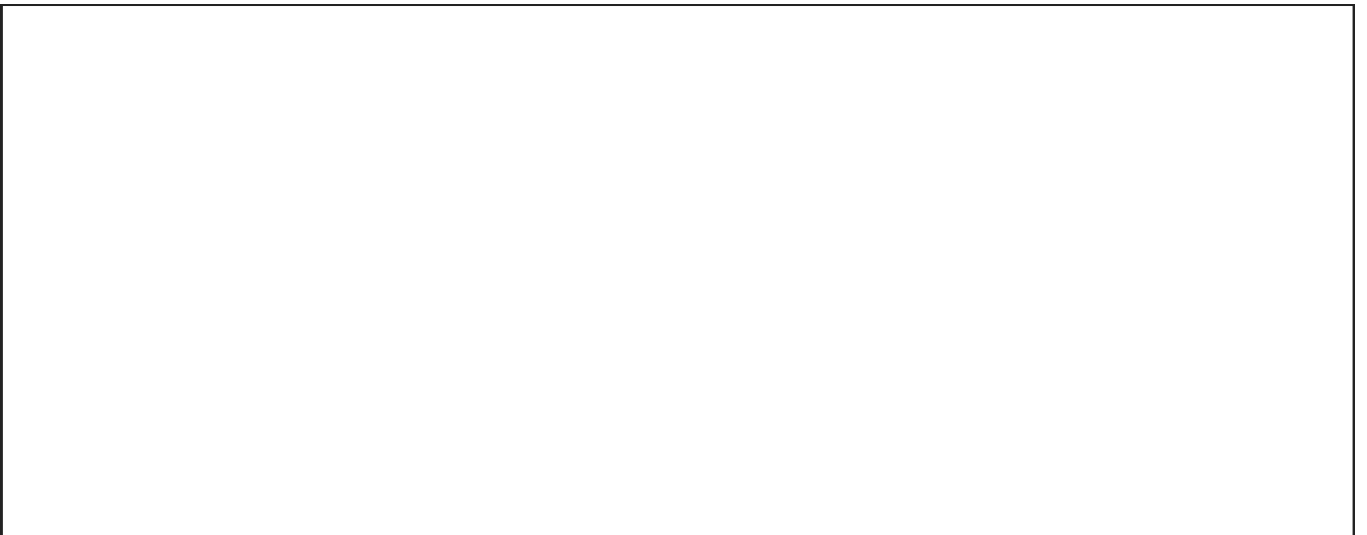

**Written Questions: Please answer these questions with 100 words or less.**

1) Describe the SAE project(s) included in this application as completely and specifically as possible in the space allowed.

2) What challenges did you face in your project, and how did you overcome them? `

3) How did you decide on your project, and how has your interest in the topic changed throughout it?

4) Explain how your roles and responsibilities have changed throughout your project from your first day to present day.

5) Thinking about your career choice in the future, how has your SAE project helped to prepare you for the future?

A large, empty rectangular box with a thin black border, intended for the student to write their response to the question above.

## PROJECT PHOTOS

### 5 Project Photos

---

Photos are used as supporting evidence to help tell the SAE project's story. They need to show activity, size, and your involvement in the selected agricultural proficiency award area. Good photos and informative captions help judges understand SAE projects, and provide additional information.

PHOTO 1: Directly under the image, describe your SAE image and be sure to list your involvement and skills being illustrated in the photo. (Insert your photo into the box)
