Mr. Carl Cole
YES Club
3420 Rural Street
Rockford, IL 61107

Dear Mr. Cole:

I am writing to express my enthusiasm after meeting with you to discuss the accomplishments of the Young Eagles Success "YES" Club Character Excellence Program. Through this program, students engage in anti-drug, alcohol, violence, crime, and street character knowledge workshops, prompting the development of active and informed citizens.

The Club has expanded its programs to various schools and community outreach centers throughout the Midwest, including those in Rockford and Freeport, allowing more students the opportunity to thrive.

As founder and director of "YES" Club, you are a direct and devoted figure that endorses personal, social, and emotional development, while forming intricate bonds with students. In addition, working closely with the Illinois Bicentennial Project, you are allowing students the opportunity to learn about our unique state and all it offers.

I am proud to support the "YES" Club in their mission and offer my best wishes in the expansion and success of this program throughout Illinois.

Sincerely,

A handwritten signature in black ink that reads "Evelyn Sanguinetti".
