To whom it may concern,

Please accept this letter of support in your consideration of the Young Eagles Success Club (YES). In an ever challenging and changing environment the opportunities for character development for our next generation seem to be less accessible to those in need.

We know without a doubt that an investment in the youth of our community produces a healthier community through leaders that care. YES is a platform that engages young minds in a positive and encouraging way. It helps to provide an inspiring group environment that encourages academics as well as social setting that encourages citizenship in our community.

FHN is glad to be a community sponsor for the YES club in Freeport and Stephenson County. Thank you in advance for your due consideration in joining us as sponsors for this heart filled effort to help our youth succeed.

Best regards and health,

Mark S. Gridley, MBA, FACHE
President and CEO
