Details/Notes

- *Leggings - An option for sleepwear/under skirts
- **Travel Insurance - There will be insurance in place covering the team. You can choose to purchase additional insurance
- THEFT is always possible when you travel abroad, DO NOT bring anything you can't afford to lose! Jewelry can make you a target - DO NOT bring or wear large gem stones or flashy items
- The WEATHER in Kenya can be much cooler than you expect, but it can also be very warm. It is best to bring layers and be prepared.
- PACK LIGHT - we can do laundry or have it done as we go, quick dry materials are best to be sure clothes dry in time.
- Electric adapters - the UK adapter works in Kenya (3 prongs)
