

# ATS VIRTUAL 2026 FAQ

1. **How do I register for ATS VIRTUAL 2026?** Once the registration window opens up you may register for the virtual event by selecting the “REGISTER” option from the ATS webpage [www.atsvirtual2026.com](http://www.atsvirtual2026.com). Follow the on-screen instructions and fill out the information required to register. We suggest using a personal email address for registration. This process will register you with a unique ID and password that lets us know that you should be receiving additional information regarding how to attend the conference via your computer or mobile device that's not behind a firewall.
2. **When will I receive the instructions for attending the virtual event?** ATS VIRTUAL 2026 MGMT TEAM is working diligently to prepare for this unique experience and will send you the necessary instructions within a couple of weeks of the event. Make sure that the email address associated with your registration is accurate and up to date so that there is no delay in receiving our communications.
3. **What is a Virtual Training Seminar?** A virtual training seminar is essentially an event that you can attend from the comfort and convenience of your home, office, or wherever else you can think of, through your personal computer or mobile device. Think of it as attending a standard webinar but with the ability to engage with anyone else that is attending a conference either physically or online. We are bringing two worlds together for a shared unique experience!
4. **Can my computer or mobile device handle the virtual event?** It is recommended that you utilize a personal laptop or computer for this event due to certain restrictions placed on government systems. Most up to date computers and mobile devices such as laptops, desktops, and handheld tablets are capable of running the virtual conference. Your device must have a stable high speed internet connection to be able to access the conference. If your device is not restricted by firewalls, you can access ZOOM, or other online meeting platforms and you have unrestricted access to general websites your device should be able to access the virtual seminar.
5. **What do I need to do on the day of the 2026 ATS virtual conference?** A few days before the conference, you will receive a reminder that contains the login link. You will enter your username and password to access the seminar. The system will allow you into the Session 15-30 minutes before the session starts. You will now be able to access the evaluation for the session under the Main Menu. Repeat this process for each session you wish to attend. After the event, please complete the Overall Evaluation which will be emailed to all attendees.

6. **Do I have access to all the sessions?** We encourage you to attend the seminar in its entirety. This is a requirement for your training credit.
7. **Will I be able to see the presenters for each session?** Yes. You will be able to see all session speakers along with their presentations.
8. **Can I ask questions during the sessions?** We encourage you to ask questions via the chat feature. Specific instructions on when, how, and in which section of the seminar platform will be provided prior to the seminar and highlighted again by the moderator. The moderator will screen questions and pose them to the speaker at the end of their presentation.
9. **Can I share my virtual conference login information with other members of my team?** No, each username and password is specific to the user. Everyone attending the seminar should be registered and receive their own username and password. The registration information, along with attendance accountability, will be used to grant training certificates at the end of the seminar.
10. **Can I access and view recordings of any sessions from the conference?** Yes, with some exceptions. Guest speakers have the right to safeguard and not release their information. Requests for recordings would need to be coordinated through OPMG AT Division.
11. **Can I register from my government email?** Due to the government system restrictions, this is not encouraged. We encourage you to utilize a personal email account. There will be separate systems used for the classified portions of the Army Protection Threat Working Group with separate instructions provided for attendance.
12. **Can I use a government computer or laptop for the virtual seminar?** Due to the government system restrictions, this is not encouraged. We encourage you to utilize a personal laptop/computer that meets the system requirements for the seminar.
13. **How do I reset my password?** Utilize the reset password option on the seminar platform page, if this does not work, contact the helpdesk.
14. **Who do I contact for technical assistance?** [info@atsvirtual2026.com](mailto:info@atsvirtual2026.com).

**15. Is a security clearance required to attend the seminar?** Most of the AT Training Seminar material will be unclassified. However, the Army Protection Threat Working Group will be conducted on a separate system with specific instructions for attendance. A secret security clearance will be needed to attend this working group.
