- ✓ **No more separate trash bill** The HOA pays Gig Services directly on behalf of every home — one less bill to track.
- ✓ **$30 a month per home** — down from the $40 many neighbors pay today for less service.
- ✓ **HOA assessment increases by $90 a quarter ($30.00 a month)** to cover this new HOA service.
- ✓ **All HOA dues billed Quarterly starting January 1**, not as one big annual bill — smaller, predictable payments across the year.

- **Safer neighborhoods for kids** — less traffic and better visibility on our streets.
