TO: LCCS Parents
FROM: DeeAnn Herje
RE: 2020-21 School year

As of today, these are the plans for LCCS: School begins on Wednesday, August 26, as scheduled. The Pre-school, PreK and Primary students will not be required to wear masks, nor will the teachers. The students' temperatures will be taken upon entering the building each morning. It is the parents' decision to wear masks themselves when they enter the building.

Secondary students' temperatures will be taken upon entering their building. Their teachers will be wearing masks. It is up to the parents as to whether your student wears a mask or not.

Thorough cleaning will take place in both buildings each evening. We have the CDC recommended disinfectant spray, and it will be used regularly. All children will be monitored for handwashing after using the bathroom, and hand sanitizer will be available.

In order not have so many people in a confined space for "Meet the Teacher," these changes will be in effect:

The Preschool "Meet the Teacher" will be on Saturday, August 22, from 9:00 to 9:45. Bring all your supplies (with no names on them) and enjoy a time with your teachers. It is your decision about wearing a mask.

The PreK class "Meet the Teacher" will be on Saturday, August 22, from 10:00 to 10:45. Bring all your supplies (with no names on them) and enjoy meeting your teachers. It is your decision about wearing a mask.

The Kindergarten "First Day Meeting" will be Saturday, August 22, from 11:00 to 11:45. Your supplies will already be here, so come and participate in a mini-morning of Kindergarten. It is fun! It will last less than an hour. It is up to your parents about wearing a mask.

The Primary (grades 1-5) "First Day Meeting" will be Saturday, August 22, at 1:00. Your supplies will already be here, so come and see your friends, find your locker, and listen to Mrs. Herje and Mrs. DePetris for a few minutes. It is up to you parents about wearing a mask

The Secondary will not have a pre-school meeting. You will be receiving information via email in early August. That email will cover everything that would have been covered in a before-school meeting. Please read it carefully.

Although we are facing a challenge that we have not ever had to face before, we at LCCS are anticipating a great school year, full of learning and fun. This is God's school, and He is going to take care of us.
