

PROMOTING THE EUROPEAN CITIZENS' INITIATIVE (ECI) ON PERMANENT UNION CITIZENSHIP

Dear Friends and Colleagues,

ECIT Foundation is pleased to invite you to this major [event](#), which will take place;

**From 2 p.m. - 5.30 p.m. on Thursday 31 January
at the European Economic and Social Committee, 99 Rue Belliard, 1040 Brussels**

Whilst decisions on the withdrawal of the UK from the EU are still in the balance, this will be an opportunity for brainstorming under the title "staring at the Brexit snake" about the hidden impact on freedom of movement across Europe, identity and citizenship. We will also be looking ahead to the European elections for which ECIT has prepared a [manifesto](#).

We would be most grateful if you could do 3 things to support European citizenship at the start of this year:

- Sign the [ECI](#) and persuade others to do so
- Sign up for our conference on 31 January by registering [here](#)
- Subscribe to our newsletter to stay in touch with us or unsubscribe

We very much hope to meet you again at the end of this month.

Yours sincerely,

Tony Venables and Petar Markovic
