B4H: TB continues the work of BAHA (the Business Coalition against HIV & AIDS) in response to the high rates of TB, drug resistant TB and HIV/TB co-infection in PNG. B4H: TB helps businesses to reduce the impact of the current crisis on their employees, their families and the national economy.

B4H: TB is hosted by The Port Moresby Chamber of Commerce & Industry, United Church Building, Town Businesses for Health Papua New Guinea is a registered not for profit association. We are supported by private sector sponsors, the Australian Government, network subscriptions and TB workplace training fees.
