Annual Subscriber benefits

Two workplace TB Warden's Training places.	Rapid response to cases of concern in your workplace	Support to deliver a TB workplace policy, health promotion and case management	Updates on HIV, revision of your BAHA HIV workplace policy and health promotion programs
---	---	---	---

Workplace TB Training

This course trains your staff to act as a TB warden. Your TB wardens (like fire wardens) can be non-health trained staff who will:

- Support early TB Case finding
- Deliver TB and HIV prevention and management activities in the workplace
- Enable access to, and success at each stage of the TB testing, treatment and return to work pathway.

TB wardens do not replace the work of trained medical staff in TB testing or treatment.

TB Training Course Dates 2020

Port Moresby February Tuesday 18 – Thursday 20

World TB Day Port Moresby Tuesday March 24th

Your Annual Subscription Includes 2 Free Training Places.
Capital Insurance Clients are offered ONE Free extra training place.

Businesses For Health continues the work of BAHA (The Business Coalition Against HIV & AIDS) in response to the high rates of TB, drug resistant TB and HIV/TB co-infection in PNG. Businesses for Health Papua New Guinea is a registered not for profit association. We are supported by private sector sponsors, the Australian Government, network subscriptions and TB workplace training fees.
