

A

FACE MASK PATTERN

1. Cut four per mask (two outer, two inner)
2. Sew two outer pieces, right side together, along A
3. Sew two inner pieces, right side together, along A
4. Right sides together, sew inner to outer along B
5. Turn inside out, to create double-sided mask
6. Fit elastic at C, fold in, sew from C to C to finish off
