#### 1. Don't Cheat

No hacked clients, unfair mods or texture packs, (X-ray, flight mods, etc.) If you are unsure whether or not a mod is ok to use, please ask an admin for approval.

## 2. No Griefing or Stealing

No stealing or griefing is allowed. Players are encouraged to report griefs and stolen goods to staff.

# 3. Pranking

Pranking is okay as long as it does not involve griefing. If you prank YOU clean-up, or it may be considered griefing.

## 4. Be neighborly

Do not build within 300 blocks of others. The world is big enough for all of us, you should not be building in another player's space unless you are given permission.

# 5. No advertising or spamming chat

Do not advertise in chat unless you are given permission by an admin. Do not spam chat.

#### 6. PVP

PVP is not allowed unless both parties consent to PVP with each other.

# 7. Age restriction (18+)

You must be 18+ to play on this server. No exceptions.

#### 8. Farms

Unless a farm is specified as a public farm, do not take items or use farms without the builder's permission.

#### 9. Build Distance From Spawn.

Bases should be built at least 300 blocks away from spawn. This will give spawn the space it needs to expand and help reduce any lag from farms. If you build closer, you will be asked to move.
