***** TRAINING ANNOUNCEMENT *****

EMERGENCY PREPAREDNESS & RESPONSE TO TARGETED VIOLENCE

COURSE DATE: XXXXXX, XX, XXXX, 7-hours

LOCATION: XXXX, CA – *Address will be provided upon completion of registration*

COURSE DESCRIPTION: This one day course is a lecture, skills, and scenario-based course designed for civilians involved in education, campus security and safety, healthcare services and at houses of worship, where mass-casualty events and life-threatening injuries may occur.

All training equipment is provided and each student will receive a CAT tourniquet

COURSE TOPICS:

- Understanding Active Shooter behaviors and pre-threat indicators
- Response to a violent attack, including an Active Shooter threat
- Utilizing the concepts of “Run, Hide, Fight” in a realistic training environment
- Instruction on “Stop the Bleed” care and basic airway management
- Information on Active Shooter behaviors indicators and pre-threat
- Nationwide Suspicious Activity Initiative (SAR) and workplace infrastructure vulnerability

LEAD INSTRUCTOR: Sal Cortez is the founder and lead instructor of TacMed Services, developing scenario-based Active Shooter response courses for both law enforcement and civilians. He is a retired California Highway Patrol Sergeant with a combined 40 years of law enforcement and emergency medical services experience, having responded as an officer and paramedic to two separate Active Shooter events in his career. For the past 13 years he has provided instruction in Tactical Medicine and Active Shooter response and has worked as a POST Subject Matter Expert in the area of First Aid/CPR/AED and the development of Tactical Medicine.

REGISTRATION: There is no registration fee. Travel/per diem expenses are the responsibility of the attendee. Registration is via the training calendar on the website www.sacrtac.org. Questions can be directed to the training staff at training@sacrtac.org.

CERTIFICATE: The CCIC will supply a certificate of completion at the end of the course.

REGISTER EARLY – SPACE IS LIMITED
