

Antoine Leroux Rendezvous 2025

Come one, come all to the 36th/37th annual Antoine Leroux Rendezvous at the cornfield site. August 29th, 30th, 31st to September 1st. I will be setting my camp August 28th. Ranges will be set up the 29th. There will be a plethora of shoots to partake of, rifle, smoothbore, pistol, archery and hawk and knife. Events for the youngsters, hunting with rabbit sticks and the like (yeah, Stick Nation). Bring water. Some pine firewood on site. If you don't like pitchy pine firewood, bring some with you. Keep posted on fire restrictions. Dogs on leash and that leash attached to you.

You may be puzzled by the 36th/37th annual designation. We were unable to have the rendezvous in 2020.

Day visitors welcome. Forest Road 101 can be rather rocky. Traverse the road with care.

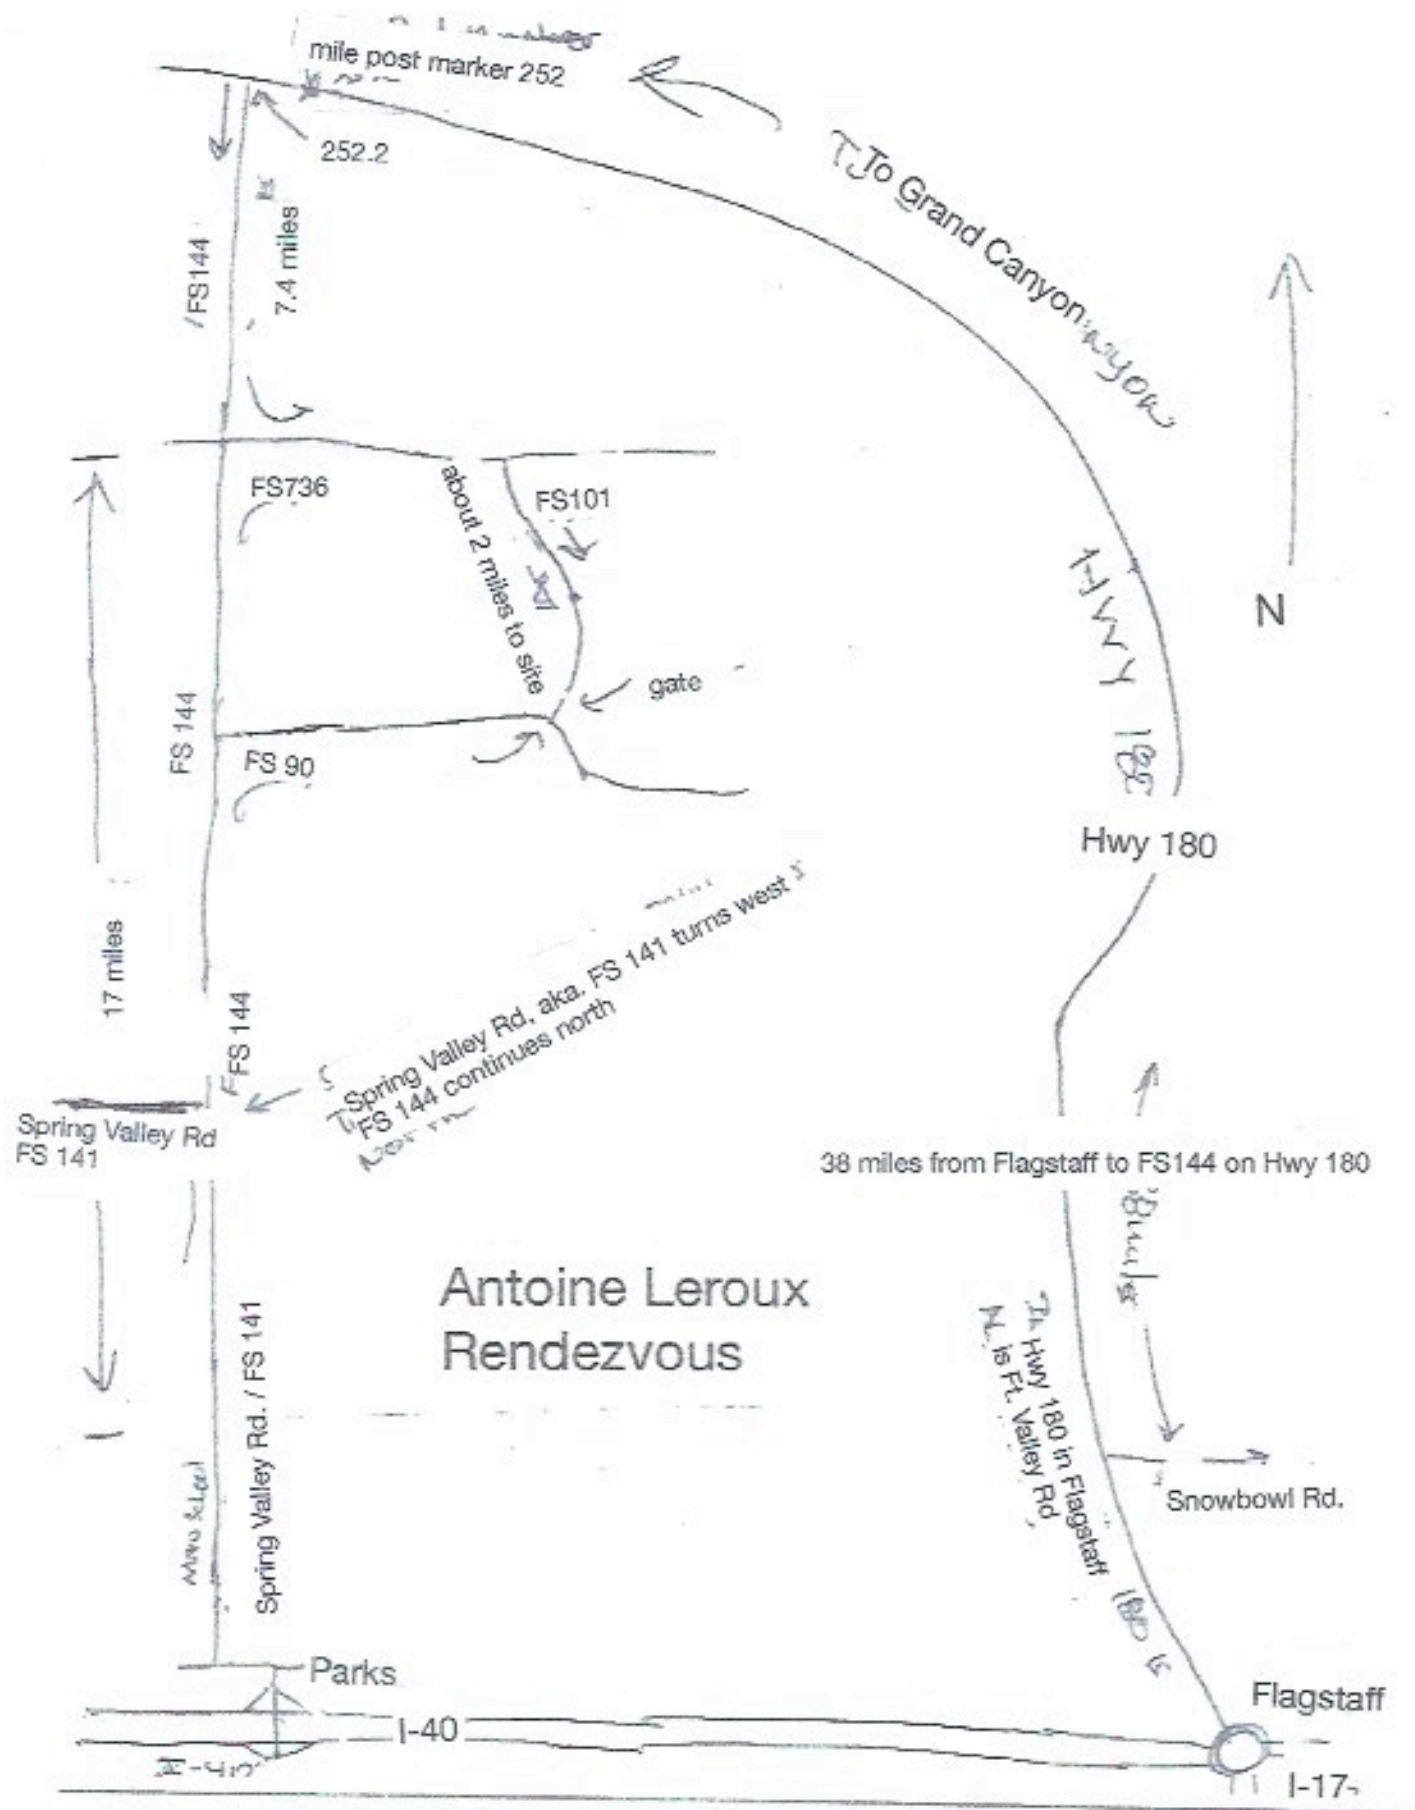

\$10.00 to camp, \$10.00 to shoot. Potluck Saturday evening, around 5:00pm. Prizes awarded Sunday evening. Bring blanket prizes.

Questions, contact the Captain, Fritz Rush, 928-699-2925, frush526@commspeed.net, viejo.malo526@gmail.com.
