

Antoine Leroux Rendezvous 2026

Antoine Leroux rendezvous is now scheduled for September 4th, 5th, 6th and 7th 2026. I will be setting my camp on the 3rd. There will be a plethora of shoots to partake of, rifle, smoothbore, pistol, archery and hawk and knife. Events for the youngsters, hunting with rabbit sticks and the like (yeah, Stick Nation). Bring water. Some pine firewood on site. If you don't like pitchy pine firewood, bring some with you. Keep posted on fire restrictions. Dogs on leash and that leash attached to you. Day visitors welcome. Forest Road 101 can be rather rocky. Traverse the road with care. \$10.00 to camp, \$10.00 to shoot. Potluck Saturday evening, around 5:00pm or whenever the pigeon pie is done. Prizes awarded Sunday evening. Bring blanket prizes.

Stuff has been accumulating at a number of members base camps. Generous skimmers' donate camp goods to the PHC when they can't rendezvous any more or just have too much to use.

We will have an area at the Antoine Leroux where anyone can take what they need and donate the Clan whatever they think is fair. We are tired of storing and moving boxes of things around.

If you have extra period goods that you are willing to donate to the Clan, come by and put them on the blanket. This is not a trade blanket or auction, just a fundraiser without price stickers.
