

Joe Walker Rendezvous

April 18th, 19th, 20th and 22nd

No Damn Fun has scouted the site. We will be going to the old Antoine Leroux site about a mile south on FS101 from it's junction with FS736. No Damn Fun says the road is not bad and there is firewood on site. He tried to get up to the new Antoine Leroux site, but the road is blocked by snow. The 18th is set up day. Anyone coming in after that date, please remember the bylaws, which state you have a half hour the drive into the campsite and drop your stuff. Park then come back and set up.

We will have a trail walk, pistol shoot, hawk and knife and archery. Anyone that has an event idea, please contact me. Biscuit/Viejo Malo aka. Iratus Biscoctus, 928-699-2925, frush526@commspeed.net or viejo.malo526@gmail.com
