RENEW Exfoliating Cleanser with natural AHA/BHA

- Deep cleansing lotion containing Glycolic, Lactic, and Salicylic Acids.
- Glycolic Acids encourage the production of collagen and help increase cell turnover.
- Lactic Acids provide moisturizing effects and refresh the texture of skin.
- Salicylic Acids encourage surface renewal for a smooth, more youthful texture.
- Contains Jojoba beads that gently loosen dead skin cells and accelerate the skin's natural renewal process (gentle enough to use twice a day).

QUENCH Hydra Balancing Toner with natural oxygen stimulating extracts

- Refreshes, hydrates, and stimulates sluggish skin.
- Ginseng, ginkgo, rosemary, and glycoproteins promote oxygen revitalizing properties.
- Aloe vera, chamomile, green tea and sea whip smooth the skin, while lavender oil helps calm the senses.
- Vitamins A, E and C help prevent environmental damage to the skin. Excellent for ultra-sensitive skin.
- Sodium PCA - a natural moisturizing component that softens the skin and helps it attract and retain moisture.

"O" FIRM anti-aging and conditioning formula

- "O" Firm includes a complex of 5 Peptides to fight against fine lines and wrinkles.
- Gold is bound to these peptides to improve efficiency and provide longer lasting results.
- Take your complexion to the highest level of "O" perfection.

REPLENISH Complex Botanical Hydration repairs and protects

- Botanical Blend Complex calming hydration replenishes a damaged skin barrier and combats inflammation, itching, stinging and redness.
- Morinda Citrifolia Extract (Noni) - helps improve barrier function. Provides significant moisture, targets redness and stinging, and helps decrease the reactivity of sensitive skin.
- Picea Abies Extract Finnish bark resin associated with anti-bacterial cleansing properties that can help improve skin conditions including acne, eczema and psoriasis.
- Revive and renew your skin. Excellent for relief of PPE mask irritations.

RETINOL Regenerating Night Treatment natural stimulation

- This unique encapsulated Retinol delivery system provides maximum stimulation with less irritation.
- Palmitoyl Tripeptide-1 and Palmitoyl Tetrapeptide-7 (Matrixyl 3000®) - clinical results show a 39% reduction in deep wrinkles, 32% in main wrinkle density, and a 16% increase in lifting effects.
- Daisy Flower Extract (Bellis Perennis) helps reduce melanin and lighten. It also targets anti-oxidative activity.
- Licorice Root Extract - natural antioxidant and brightening ingredient.
- Antioxidants/Vitamins C (Tetrahexyldecyl Ascorbate), vitamins E, and A - help fight free radicals. They also focus on inflammation.
