

Lois Noble

Lois Noble, born 27 October 1935-passed away on 5 Feb 2024 after declining health. She was an integral part of two local clubs, Valley of the Sun Poodle Club (VSPC) and Arrowhead Kennel Club (AHKC) (All-breed). Lois was also a founding member of Twin Cities Poodle Club in Minnesota. She was very active in church activities, and annually helped acquire and fill backpacks for children in the Twin Cities metro. She also belonged to her poodles--Parent Club-Poodle Club of America (PCA). Lois always had a helping hand with various projects in her clubs- with the poodles she planned many valuable and insightful programs to enrich and further the well-bred poodle. Many of the outings portrayed on the VSPC website were planned by Lois. Her love of adventure kept her going- she walked the entire Wickenburg Parade in 2019, with her trusty veteran poodle Willow by her side at the age of 83!! Lois was known for her lovely white miniature poodles that she bred/owned and handled herself to the championships, later on in her life, she acquired black miniature poodles from one of her fellow breeders, the late Marilyn Brooks of Anomar Poodles.
