BIO

Dr. Yolanda Dukes is a metaphysical author, multidimensional researcher, and founder of Perspective Metaphysics LLC. With a doctorate in Mystical Research and Theocentric Psychology, her work bridges science, spirituality, and consciousness through visual art, literature, and guided education. Through her books, digital tools, and art, she invites others to step into clarity, resonance, and the sacred language of perspective.

MISSION STATEMENT

Perspective Metaphysics exists to illuminate the unseen, activate self-mastery, and return sovereignty to the soul. Our creations speak the language of transformation through thought, frequency, and design.
