Please be advised that a \$50 per person nonrefundable deposit is required to hold your space on this trip. Once you have made your deposit you will receive a travel invoice with your remaining balance, LESS your \$50 nonrefundable deposit. The balance will be broken down into equal monthly payments for your convenience. (**YES**, the deposit goes to the trip cost and is not a separate fee) **Trip Insurance**

Along with your invoice we will send information on Trip Insurance should you choose to get it. We will provide all the information needed to make an informed decision on this optional service. In the past individuals have questioned the need for travel insurance. We do not encourage or discourage this option. It does come in handy however, in the event of a medical emergency, some type of natural disaster or some unforeseen reason that causes you to need to cancel your trip at the last moment.

Please be assured that we will keep you up to date on every aspect of your trip. If you have any questions, you can always reach us by phone, email, or text. Please allow 24 hours for a response.

We are so **EXCITED** to be traveling with you! If there are others who you feel would enjoy this trip, please invite them!
