Midland County Equalization will be doing some property appraisals through the county. If they show up at your home they will identify themselves and explain what they are going to do. They will take measurements and pictures. This process may take up to 30 minutes. Your cooperation is greatly appreciated to help them complete their job.

TOWNSHIP LANDFILL

Township residents may contact any Board Member for the access key. The landfill is located at the corner of Freeland Road and Meridian Road. This landfill may be used for the disposal of field stones, trees, and brush.
