TRASH PICK UP

Republic Waste Service Inc. is Mt. Haley Townships Solid Waste/Recycle contractor. Anyone needing to address an issue regarding trash pickup can call 1-989-879-2700. **The contractor will collect an unlimited number of properly prepared items each week from residential units. Trash shall be placed in the garbage carts. Any additional garbage should be placed beside the cart. **Residents will be allowed to place one appliance or large item in the weekly pickup. The Freon does not need to be removed but please call Republic Waste at the above mentioned number ahead of time for pickup. ** Carpeting should be in six foot strips and bundled and tied together.

ATTENTION LANDLORDS

Please forward this newsletter to any renters you may have living in the township. Additional copies of the newsletter may be obtained from the Township Clerk.

BUILDING AND POND PERMITS

Anyone who is planning on constructing an out building of any size, must get a building/zoning permit. This pertains to the distance that a building sets from a lot line or from another existing building. Mt Haley Township follows the State of Michigan Building Codes for its building requirements. Residents are asked to contact the Building Inspector for information on the proper permits needed for any type of construction, the digging of ponds, or the erection of a permanent sign. You will need to get a permit for a new roof. Please contact Gary Shaffner for any questions regarding permits that may be needed.

TOWNSHIP WEBSITE
