## Has this ever happened to you....

You're fishing a Bass Tournament and you have a fish on. You feel a tap, you set the hook, fish is tugging as the reel is screaming putting your skills to the limit. You know you have the Big Fish of the Tournament. Suddenly the fish surfaces and you have a good walleye instead.

Well if you're fishing a FVAA Tournament you go right ahead and put that walleye in the live well. FVAA is a Multi-Species Fishing Club, so you get to fill your live well with Bass, Walleye, Crappies, Cats and more. We'll give you tournament points for the fish you bring to the scales.

We fish lakes and rivers within a 2-3 hour drive from the Fox River Valley area (St. Charles, IL). We welcome all new members. Husbands, wives, sons, daughters, boat owners and non-boat owners

## FVAA Membership....

FVAA offers its members an opportunity to participate in as few as 4 or 5 or as many 20 scheduled events throughout the year. Each event provides our members the chance to experience the thrill of competition fishing, without the pressure or stress. Our trips test our members skills on both lakes and river waters, and every members ability to catch a variety of fish. FVAA trips and club tournaments are founded on helping one another become better anglers. Tournaments are a combination of single events, team events and the final Two Day Classic Championship. Every event provides a fresh opportunity to experience the excitement of winning while compiling points throughout the entire year towards the Angler of the Year Award.

## FVAA Volunteers ....

FVAA gives back to others including fishing outings for the Fox Valley Special Recreation Association, "FVSRA" (photo below). The FVSRA was formed by seven park districts to provide year round therapeutic recreational services for individuals with disabilities.
