

JOIN US FOR THE PREMIERE ON THE BOK PARK PLAZA.

**7:15-8:30 p.m. Saturday, Oct. 30th, 2021**

*Southeast corner of Park Ave. and Harvey Ave. • Refreshments will be provided.*

School of Theatre Lighting Design students and Bass School of Music Composition students will present a multimedia outdoor concert of light and sound on the BOK Park Plaza building, a modern and sleek office building in downtown OKC. Organized by Professors Aaron Mooney and Dr. Edward Knight, the event will showcase the collaborations between the composers and designers, including original music composed for this event and lighting designs utilizing the 244 color-changing LEDs installed in the crown of the BOK Park Plaza.

Special thanks to Hines, the real estate firm that manages the BOK Park Plaza; to Audra Stone, John Van Heuvelen, and Mary Paltani; and to Ashley Page of Robinson Park.

***Garage is located on Harvey Ave., just South of Park Ave. Enter the garage from the west side, press the call button, and mention the Oklahoma City University event. Park on levels 5-7.***
