WORKSHOP ON INFORMATION SECURITY (WISEC)

MAY 25 - MAY 28, 2020

VENUE:

International Press Center
Brussels, Belgium

AICL

The Workshop on Information Security **(WISec)** provides guidance to budding researchers on how to cultivate an idea on information security or privacy, and develop it into a research project. The participants will get the chance to present and obtain comments on their research, and hear about the work of their peers.

APPLICATION PROCESS

Kindly submit the following:
- A 500-word description of your research interests/project
- Curriculum vitae/resume

Send your submissions to: eu@americascyber.org
SUBMISSION DUE DATE: April 20th

REGISTRATION FEES

Regular: $800
AICL Fellows: $600

Scholarships:
Participants from Low-income and Middle-income economies can receive scholarships applicable towards registration fees
