CONNECT INSURANCE PRODUCER AGREEMENT

1. Parties to this Agreement are _____
(hereinafter sometimes referred to as “Producer”) and Connect MGA LLC d/b/a/ Connect Insurance,
(hereinafter sometimes referred to as “Company”)
2. The effective date of this Agreement is _____.
3. Purpose of Agreement: The purpose of this Agreement is to state the exclusive terms and conditions under which Producer shall act as an independent broker in the solicitation and servicing of contracts of insurance, including binders, policies, amendments and endorsements, and applications, (altogether referred to in this Agreement as “Policy” or “Policies”).
4. Authority of Producer:
 - (a) Company shall be the sole judge of the acceptance or rejection of any risk and shall incur no liability for failure to place any risk.
 - (b) Producer has no power hereunder to bind insurance risks, but only to submit applications for such risks to the Company. No coverage shall be in effect on any such application unless and until accepted by Company in writing.
 - (c) Producer shall have full power to:
 - (1) Submit applications for insurance covering only such classes of risks and in such amounts as Company may so authorize Producer to write; and
 - (2) Collect premiums from insureds or applicants for insurance submitted by Producer for Company. Producer shall hold said premiums in trust for Company until remitted to Company and shall be considered Company’s fiduciary.

Producer shall promptly forward to the Company all pertinent information pertaining to any application or policy in force, as well as all evidences of intent to insure or to modify existing policies, as directed by the Company. Producer shall retain originals of any information regarding any application or policy in force not provided to the Company for the full duration required by law but not less than five (5) years, and will make such originals available to the Company following twenty-four hours advance notice. Producer's duties under this Section shall survive termination of this Agreement.
 - (d) Producer shall have no authority to extend the time for payment of premium, or to change, alter, vary or waive any of the terms, requirements, or conditions contained in any application, policy or guideline as provided by the Company.

- (e) Unless authorized in writing by Company to deduct commissions, Producer shall be liable to Company for all gross premiums and fees due upon Policies, whether new, renewal or endorsement, issued by Company in connection with risks submitted by Producer. Producer shall also be liable to Company for all gross premiums and fees whether Policies are issued on a direct bill or agency bill basis.
- (f) Producer has no authority to enter into any agreement with a premium finance company, to enter into any premium finance agreement or to receive notices of premium financing or the proceeds of premium financing for Policies issued or to be issued by Company unless such authority is first extended to Producer by Company in writing.

5. Premiums and Commissions:

- (a) It is expressly agreed and understood that all premiums collected by Producer are trust funds and property of the Company and that Producer is acting as fiduciary under this Agreement. Such funds shall not be used by Producer for any personal or business purpose whatsoever, but shall be held until remitted or disbursed in accordance with the terms of the Agreement. The keeping of an account by Company on its books as a creditor and debtor account or as a declaration of account is understood to be memo of business transacted and shall not be held to waive assertion of fiduciary relationship as to premiums collected by Producer.
- (b) If a return premium becomes due under any Policy, Company will promptly refund to the insured such return premium. Producer shall be responsible for payment of unearned commission to the Company. Producer shall repay the Company commissions on return premiums at the same rate at which commissions were originally paid to Producer (or retained by Producer if so authorized).
- (c) Company shall have the right to offset any amounts due Producer by Company against amounts due Company by Producer.
- (d) All special fees, policy fees or charges or expense constants charged in addition to premium on Policies are to be regarded as fully earned at the time of the inception of the Policy. The obligation of Producer to pay such amount shall be the same as if they were premiums, except that no commission will be allowed upon such amounts.
- (e) Producer's commission under this Agreement shall be calculated in accordance with the Producer's Addendum 1 attached to the Agreement or the subsequent Producer's Addendum 1 in effect at the time the Policy is effective, and shall be the sole compensation of Producer for services under this Agreement. Company shall have the right to change the amount and terms of the commission to be paid upon thirty (30) days' prior written notice to Producer.
- (f) Commissions will be calculated pursuant to Paragraph 5(e) above and Company shall have the right to offset any amounts due it. Payment will be made to Producer via Electronic Funds Transmission (EFT) no later than fifteen (15) days after the end of the month in which the applicable premiums were written. The EFT deposit will be posted to the account shown in the EFT Instruction Agreement in the Company's possession as of the end of the previous month. It is the sole responsibility of the Producer to ensure that the information on the EFT Instruction Agreement is correct and valid at all times. A statement showing the relevant calculations will be made available to the Producer no later than the time of the EFT deposit. Any balance due to the Company on such statement of commissions shall be paid by the Producer no later than the 20th day of the month the statement was received. If

the Producer fails to make such payment by the 20th day, Producer agrees that Company may withdraw the amount due from the account specified in the applicable EFT Instruction Agreement. Producer agrees that Producer is solely liable for any fees incurred as a result of the failure to maintain sufficient funds in the account. (The account listed in the EFT Instruction Agreement is the account for Producer's commission deposit, NOT the Producer's trust account.)

6. Expirations & Renewals:

- (a) Producer and Company expressly recognize Producer's independent ownership of the policy expirations covered by this Agreement and Producer shall retain ownership of these expirations during and after the termination of this Agreement except as specified herein. Producer hereby assigns to Company as security for its obligation to pay the Company, but not in payment, all sums due or to become due to Producer from the insured or insureds for whom such agency billed Policies were produced by Producer for Company and with full authority in Company to demand and collect these sums. On agency billed premiums so collected by Company, Producer shall be entitled to no commission.
- (b) To further secure the payment, when due, of any and all sums which may become due Company hereunder, Producer grants to Company a security interest in all the records of expirations of Policies produced through Company, including the ownership, exclusive use of same, and to have the rights of the holder of a security interest granted by law.
- (c) Producer agrees that this Agreement or any copy thereof may be filed as a financing statement if Company so elects. Producer hereby agrees to sign a UCC-1 Form and any other documents required to secure the Company's interest in the expirations and renewals.

7. Change in Operations or Producer: Producer shall give Company sixty (60) days prior written notice of any of the following changes to the operations of Producer's agency:

- (a) If Producer is an individual and enters into a partnership or other business venture to act as an insurance agency with one (1) or more persons;
- (b) If Producer is an individual or partnership and incorporates Producer's insurance agency or forms some other entity; or
- (c) If Producer is an individual or partnership or corporation and transfers, sells, merges or consolidates any part of Producer's insurance agency or insurance business with any other entity.

Producer's failure to give the required notices will terminate the Agreement on the effective date of any of the above events at Company's sole option. Producer will forfeit all commissions, earned and unearned, on policies in force after the effective date of such an event.

The consent by Company to any such occurrence may be contingent upon a review of the background and experience of any new owner, the acceptance of the terms of this Agreement by any proposed new owners, the receipt of indemnity agreements from any proposed new owner or any other requirement which Company may reasonably impose prior to Company's determination that it will consent to, or reject, the proposed new owners.

8. Termination:

- (a) This Agreement shall continue in force and effect until terminated by mutual agreement of the parties or by one of the parties giving thirty (30) days written notice of termination to the other. However, in the event of fraud or breach of any of its conditions or provisions on the part of Producer, this Agreement may be cancelled by the Company at any time thereafter, effective immediately, by notice to Producer. In the event of cancellation on account of fraud or breach of conditions, any indebtedness of Producer to Company and all premiums in the hands of Producer or for the collection of which Producer is responsible shall, notwithstanding any provisions herein to the contrary, become immediately due the Company.
- (b) This Agreement shall terminate automatically and without notice in the event of cancellation, revocation, suspension or forfeiture of any license required by law for Producer's performance in any respect under this agreement. The maintenance of such license in good standing shall be at all times the responsibility of Producer as an express condition to continuation hereof and in the event of any cancellation, revocation, suspension or forfeiture of such license, Producer shall immediately notify Company of the complete details thereof, and Producer shall forfeit all commissions, earned or unearned, on Policies in force as of such cancellation, revocation, suspension or forfeiture of license.
- (c) This Agreement shall terminate automatically and without notice in the event of:
 - 1. Producer being insolvent or bankrupt or filing for protection from creditors related to bankruptcy or insolvency; or
 - 2. Producer or any of its officers, directors, or shareholders being convicted of any crime in violation of 18 USC §§ 1033-1034.
- (d) In the event of termination of this Agreement, Company shall timely notify each insured under a Policy to prevent the extension of the Policy beyond its expiration date.
- (e) The obligations of Producer to indemnify and hold Company harmless on any claim arising from failure of the Producer to comply with the terms of this Agreement shall survive termination of this Agreement.

9. Administrative Provisions:

- (a) In the event Company shall have to institute any lawsuit to enforce the obligations assumed by Producer in this agreement or defend any lawsuit brought against Company because of its having entered into this Agreement, Company is entitled to recover from Producer all costs, expenses, judgments and attorney's fees incurred by Company in connection with any lawsuit.
- (b) The obligations and undertaking of each of the parties of this Agreement shall be performable in Oklahoma County, Oklahoma. Producer agrees to pay the Company at its home office, all sums of money which may become payable to Company under this Agreement.
- (c) Producer shall immediately refer to Company all claims involving policies issued by Company hereunder. Any available documentation shall be faxed to the Company immediately.

- (e) Any policy forms or other Company supplies furnished to Producer by Company shall always remain the property of Company and all property of Company shall be returned to it or its representative promptly upon demand.

Such records shall be open at all times to the inspection of duly authorized representative of the Company. Producer's duties under this Section shall survive termination of this Agreement.
- (g) Producer shall not insert any advertisements concerning Company in any publications or issue any circular or paper referring to Company without first obtaining consent of the Company in writing.
- (h) Company and Producer expressly agree that Producer shall be an independent contractor of Company. This Agreement shall not be deemed to constitute the Producer as an employee of Company.
- (i) Producer agrees to notify the Company within twenty-four (24) hours of the receipt of all complaints from insureds and/or the Oklahoma Department of Insurance and to immediately forward to the Company all notices of suits or suit papers that may involve the Company.
- (j) Company shall at all times have the right to cancel any Policy pursuant to any applicable statutes and/or regulations; however, Producer shall remain obligated to pay Company the earned premium thereon.
- (k) Producer shall timely and completely comply with all laws, rules and regulations, including all underwriting and other rules of the Company, in the conduct of business under this Agreement. Producer shall not expose the Company to any claim, litigation, administrative proceeding, fine or penalty by failing to so comply.
- (l) In the event Company receives an insufficient funds check from Producer, Company may elect to initiate cancellation on all in-force agency bill business, pursuant to any applicable statutes and regulations and deem insufficient funds as a material breach of contract, which may result in the cancellation of said Producer's Agreement. Company, at its discretion, may elect to process any new or renewal business applications from Producer and requests for endorsements of Policies in force only if accompanied by a cashier's check, certified check or cash, for the gross premium due, until such time as Producer pays in full the obligation covered by the insufficient funds check.
- (m) Producer agrees to maintain errors and omissions insurance covering its operations, including the obligations of this Agreement, in an amount not less than \$500,000 per claim and annual aggregate, with a deductible not to exceed \$10,000. Producer agrees to provide Company with an annual in-force copy of the errors and omissions insurance policy together with all amendments, endorsements, renewals, replacements and cancellations of such policy during the term of this Agreement.
- (n) Producer agrees to maintain agency licenses as required to conduct business with Company as required by the Oklahoma Department of Insurance. Producer agrees to provide Company with an

annual in-force copy of the appropriate required licenses for all Producer employees that will be selling Company products.

- (o) If a conflict exists as to which duly appointed Producer is authorized to represent an existing or prospective policyholder, a written statement signed by the policyholder designating the Producer shall be binding upon the Producer and may be relied upon by the Company to determine the servicing Producer. The Company, in its sole discretion, shall determine which Producer is entitled to receive commissions, and the Producer agrees to be bound by Company's determination.
 - (p) Producer agrees to submit all applications and requests for coverage changes electronically via the Company's web site and explicitly authorizes the Company to communicate with Producer electronically via email or facsimile and agrees to provide Company with updated email and facsimile information as needed. Producer also agrees to accept Policies and agency billing in electronic format when provided by the Company.
