

OUR PROCESS

1

INTAKE ASSESSMENT

A AHC team member will conduct an in-depth home assessment of client's care needs.

2

CARE PLAN DEVELOPMENT

Our experienced clinical staff will develop the client's care plan based off their medical necessity.

3

CAREGIVER MATCHING

Our staffing team will place a qualified aide or nurse with the client in consideration with their preferences.

4

START OF CARE

We will begin providing care and provide ongoing support to client and family.
