## **Republican Liberty Caucus Endorses Sean Griswold for Airport Authority**

ST. JOHNS, FLA. – September 26, 2026 – The St. Johns County Republican Liberty Caucus has endorsed Sean Griswold in his candidacy for Airport Authority Group 3.

"The Airport Authority is a taxing body, and residents deserve board members who understand both the industry and the value of a dollar," said Sean Carpenter, chair of the St. Johns County Republican Liberty Caucus. "Sean Griswold has been in the cockpit, in the classroom and in the community. He knows how the airport works and what it could be, and he is grounded in conservative principles."

The St. Johns County Republican Liberty Caucus recognizes that Griswold brings both aviation experience and experience working with county, state, and national leaders. Griswold is a strong conservative, who has held multiple leadership positions in various local political organizations.

"I am proud to have the endorsement of an incredible grassroots conservative organization," Sean Griswold said. "I believe in limited government, fiscal responsibility, and accountability to constituents. DEI initiatives and progressive political agendas have no place in our Airport Authority. My aviation experience and conservative values, along with the voices of St. Johns County residents, will always guide my votes, and ensure the board remains focused on its core mission."

"The St. Johns County Republican Liberty Caucus encourages Republican and liberty-minded voters to support Sean Griswold for St. Johns County Airport Authority, Group 3, in the Nov. 3 general election," the Republican Liberty Caucus stated.

Preserving our nation's founding values means electing those with Conservative values up and down the ballot. Vote Griswold to protect taxpayers, maintain zero millage, and demand accountability.
