Board of Realtors Supports Sean Griswold for Airport Authority

ST. JOHNS, FLA. – September 24, 2026 – The St. Johns County and St. Augustine Board of Realtors has backed Sean Griswold in his candidacy for Airport Authority Group 3.

“We’re proud to support candidates who understand the issues impacting private property rights, homeowners, and the real estate industry,” the Board of Realtors stated. “We encourage our members to learn more about the candidates and make their voices heard at the polls.”

In addition to their support, the board has also included Sean Griswold as their recommended candidate in their exclusive voter guide.

“I am grateful to have the trust and support of our local realtors,” Sean Griswold said. “Throughout this campaign, I have been reminding voters why their Airport Authority should matter to them: its ability to jack up your property tax bill.

With affordability at the top of everyone’s mind, let’s keep our taxes low. I will ***never*** vote to increase your taxes.”

They recognize that Griswold’s leadership on the Airport Authority would align with their priorities of advancing homeownership opportunities and affordability, sound economic development, fair taxation, and transparent and efficient government.

Jobs in the aviation industry serve as incredible stable opportunities for our workers. More people working in St. Johns County means less people commuting to Duval and Clay County, less congestion, and more money left in your pocket.
