Key Personnel Team Leaders

Our team bring a wealth of experience to Goldie Solutions in the facility management, janitorial, consulting, and accounting industries. With over two decades of combined expertise, they have demonstrated their capabilities in various facets of facility management and janitorial services.

Lisa Bundrage, CEO has a solid background in facility management, having worked with Fortune 500 companies, where she gained extensive experience in managing complex facilities and overseeing large-scale projects. Her keen eye for detail and strategic approach to problem-solving have contributed significantly to the success of numerous projects.

Martin Greer, Project Manager demonstrates exceptional skills and expertise across various roles. With extensive experience as a site supervisor, Martin has proven his ability to efficiently manage construction sites, coordinate projects, and ensure compliance with safety standards. In addition to his supervisory experience, Martin has also served as an Owner/CEO of Greer Construction, where he exhibited strong leadership and management skills while overseeing a team of six employees. His hands-on experience in construction projects, including painting, gutters, drywall repair, and roof patching, showcases his proficiency in a wide range of handyman and construction tasks. With a keen eye for detail and a commitment to delivering high-quality work, Martin has consistently excelled in his roles, earning him a reputation as a reliable and skilled professional in the construction industry.

Ruby Robertson, Shared Services Manager brings over 20 years a wealth of expertise to Goldie Solutions. Throughout her career, she has demonstrated a keen ability to optimize business processes, enhance operational efficiency, and drive cost savings through strategic Shared Services initiatives. Ruby's track record of successfully leading large-scale implementations and delivering tangible results positions her as a trusted advisor and leader in the field. Her commitment to excellence and passion for driving operational excellence make her an invaluable asset to the Goldie Solutions team, where she provides clients with tailored Shared Services solutions aligned with their business objectives.

Our team have also excelled in the consulting and accounting aspects of the business, leveraging their industry knowledge and expertise to provide valuable insights and strategic guidance to clients. Their combined experience and dedication make them invaluable assets to the Goldie Solutions team, ensuring that clients receive top-notch service and tailored solutions to meet their needs.
