2nd Quarter 2023

## VACATION BIBLE SCHOOL

First VBS we had 63 in attendance, with the majority being preteens.

Second VBS we had 80 in attendance, in comparison to 25 in the same area last year! That's considerable growth in 12 months!

God has really blessed me with an excellent group of leaders to minister with me!

Scripture says in Matthew 19:14, "But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven."

In my last newsletter, I told you of our upcoming Vacation Bible Schools and so far, I can give you an investment report on two of them!

## KIDS DAY

Kids Day is a special day in Mexico for our kids. This year, we hosted three events. I was unable to attend the 2nd event due to being very sick, but the leaders of the church stepped up and did a great job!

**THIS IS PART OF MY KIDS CLUB WITH OVER 70 IN ATTENDANCE**

- Please be in prayer as I close out Kids Club for the summer
- My neighbor Chuy, has leukemia and is not doing well. Please lift him and his family up in prayer! It hurts my heart to see him like this.
- Israel who I mentioned on social media for prayer, had a bad motorcycle accident that required 10 screws to be placed in his collar bone. They were already struggling financially, now with his recovery their situation has gotten worse. Please lift him and his wife Claudia up in your prayers.

## HOW CAN YOU BE PRAYING FOR MY MINISTRY?

- At the end of the month, I will be working alongside a few ladies to host a Ladies Breakfast where we are expected to have up to 100 women in attendance
- Pray for the scheduling of our summer Vacation Bible Schools. Local schools won't be releasing for summer break until July 25th, which only leaves them 2-3 weeks off until they start again. This really makes our VBS calendar challenging!

## THANK YOU

I want to say a special thanks to each of you that took the time to make my birthday special. Thank you for the cards, messages & phone calls to help me celebrate 55 years of life. After beating cancer, it makes a person value life so much more!

*Cynthia Heshey*
