## Loving that All Might Believe

*Dear Team.*

As another year comes to an end, I find myself reflecting on all the details of the past 12 months. I am thankful for your faithfulness in supporting me through prayer, financial support, physical support and so much more. I am thankful to have less restrictions and the freedom to enjoy being with people again.

I would like to begin this newsletter with a photo of the lives you have personally touched.

## *Recap of 2022:*

### *Counseling & Training:*

- I ventured into a new opportunity last month, traveling to another state in Mexico to train Christian school teachers. They live in a city rampant with severe abuse. They will have a great reach into their community with these learned tools.
- In February I was invited to train a group of brand-new Christians how to do kids ministry.
- I started volunteering in a drug & alcohol rehabilitation center, with scheduled counseling classes every Tuesday

### *Ladies Ministry:*

- In November I teamed up with a local lady and hosted an evangelistic lady's breakfast. We had 60 in attendance and are excited about their interest to know more about the Lord.
- For Mother's Day I had a chance to speak at a lady's exercise class.

### *Vacation Bible School:*

- One of many VBS opportunities this Summer, I teamed up with David & Darla West and we hosted VBS in a new area. There was much interest, and the local pastor continues to follow-up with our leads.

### *Kids Club:*

- Kids Club is up to 80 in attendance, which is 30 new additions since last year!! As you look at the photo above, know that you are a part of each of their lives. The photo is of our end of year treat for all their hard work, celebrating at a trampoline park.

### *Your Kindness at work:*

- I previously shared about a love offering I received from my Caring for the Heart family that I used to purchase a Cricut machine. I have since made over 150 t-shirts, coffee mugs and plaques for events, ministry & gifts. I am definitely getting my money's worth!

### *Our Greatest Mission:*

- Counseling, training, ladies' ministries, Kids Club and events are great and a lot of fun, but the one goal behind all these efforts is to reach every person we can in Aguascalientes for Christ! This year I had the privilege of leading numerous people to the Lord. It never gets old! It's my favorite thing to do! The name of my organization is Lamb International Mexico, and it has become almost like a slogan to say, "One more lamb in the fold" every time the Lord allows me another opportunity to introduce someone to Him!

Thank you for your continued prayer and support!

Merry Christmas and a blessed New Year.  
Your Ambassador for Christ,

*Cynthia Hershey*
