VACATION BIBLE SCHOOL

I'd like to highlight & brag on a girl named Gina for a minute!

I have had the privilege of mentoring her and training her in counseling and kids ministry leadership. Last year, after we completed our VBS schedule, she said she wanted to begin a weekly Kids Club in her neighborhood.

She did just that, and has been faithful to meet with 15-20 kids in her neighborhood, every Saturday, and has already seen growth in the kids' lives.

Well, that's a wrap for Summer '23!

The local schools did not end their 22-23 year until July 25th, so I had to make a lot of adjustments to my proposed VBS plans and schedule.

As you might recall, I hosted two Vacation Bible Schools in April, so I was a little ahead and able to host a total of 6 Bible Schools and participate in two more that mission groups from the states led.

Our VBS theme for the summer was "Looking for Treasures".

The end of September, I will be going to the states for my cancer checkup.

If you would like to contribute small toys to fill up my Kids Club prize box, please contact me for more information on where to send them.

Each donation will be greatly appreciated!

Every summer, I pause Kids Club to focus on VBS, and this past Saturday I started back.

I never know if the break will cause a decrease in attendance, but I was pleasantly surprised when 75 registered, along with 20 of their mothers!!!!

PRAYER REQUESTS

URGENT: My landlord is asking for me to vacate the house I rent, before my lease is up, due to a family dispute they are having. I am asking God for favor & guidance with the outcome.

- Outreach to the unsaved
- Kids Club (Kids & mothers)
- Gina and her Kids Club
- Classes I teach each week in the Addiction Center
- Weekly Counseling Appointments
