Cancer
♥ FREE ♥

This month, I was released from my annual care at the Oncologist as I celebrated 10 years cancer free, May 15, 2024!!!

10
YEARS

As my doctor told me goodbye, it was a sense of relief and uncertainty that flooded my mind & body.

God chose to continue using me, and with this new freedom, I will begin a new schedule of caring for myself and my wellbeing to serve as many years as He gives me!

LAMB INTERNATIONAL MEXICO

3rd Quarter 2024

**CHECK
THIS OUT**

This summer, I had the assistance of 4 mission teams from the states:

1. St. Andrews Baptist Church, FL.
2. First Baptist Church, FL.
3. North Bryant Baptist Church, AR.
4. Grace Bible Church, MD.

**THANK
YOU!**

VBS includes hands-on-training for my leaders as the majority have never served in this capacity before.

We can't do this without our teams from the states, as well as our Nationals here. We hope to inspire the local pastors to host their own Vacation Bible Schools in the summers to come!

 *Cynthia Heshey*

The Method to my Madness

When I schedule each VBS, I am looking for new areas for reaching unsaved people. I estimate that 80% of the children and parents are unchurched. The goal is to have this local outreach event & give the Pastors in the area, the contact information to followup.

#OneTeam
