ORDER (oral)

Mr M.L.Chauhan, Member (J)

The grievance of the applicants in this case is regarding implementation of the recommendations of 6th CPC in respect of Laboratory Technicians, but the respondents herein have failed to implement the same qua the applicants whereas in cases of Lab Technicians working in various Government Hospitals and organizations, certain Ministries have implemented the same by granting higher pay scale. The case projected by the applicants in this OA is that the pay structure as recommended by the 6th CPC as granted to the Laboratory Technicians working in various government offices sould also be extended to them as they are similarly placed and their duties and responsibilities are also similar.

2. Learned counsel for the applicants has also drawn our attention to OM dated 15th May, 2012 whereby it is evident that the Govt. is seized of the matter and cadre review of the post of Laboratory Staff is contemplated. Learned counsel for the applicants submits that he will be satisfied at this stage if a direction is given to the respondents to look into the grievance of the applicants and pass an appropriate order within time bound period.

3. In view of what has been stated above, we are of the view that the present OA can be disposed of with a direction to the respondents to treat this OA as a supplementary representation on behalf of the applicants and pass an appropriate speaking and reasoned order. Accordingly, respondent no.1 is directed to look into the grievance of the applicants as projected by them in the instant OA and pass a speaking and reasoned order within three months from the date of receipt of a copy of this order. The OA is disposed of in the aforesaid terms. Needles to add that in the case applicants are still aggrieved by the order to be passed by the respondents, it will be open for them to file a substantive OA.

OA shall stand disposed of.
