

GOOD NEWS

FOR THOSE WHO MAKE A DIFFERENCE

Love Never Fails

Love never fails! It connects, builds and can transform relationships, especially when fear creeps in. Helping a woman or couple look past a positive pregnancy test and focus on what the future could hold can be life altering for both the baby and themselves.

It is our task to help a new family not to be weighed down by their situation, but to look ahead and gain an understanding of how this ministry can support them.

Over the past 38 years, the Pregnancy Care Center has served over 11,500 families and welcomed nearly 5,500 beautiful babies.

Today, more and more women are coming to our centers in Haverhill, Lawrence and Lowell and receive love through mentoring, education and material services.

Providing confidential, compassionate service in a safe environment where they can learn about and discuss all their options: parenting, adoption and abortion. A woman may come to us to discuss a positive pregnancy test and feel abortion is her only option because she has no support system, no one in her corner.

We do this work trusting that God is in control, caring for everyone who comes through our doors - no matter what decision they ultimately make. Often after learning about our free services, she is able to look at the situation differently, take a breath, and make the right decision for her.

No woman should feel alone, coerced, or so hopeless that she ends her child's life through abortion. This is why it is so important to take a stand for these women, for God, for human life!

These are challenging times but we are following God's lead, doing His work. There's nothing more precious than the gift of life. It's wonderful to see a couple grasp the truth that their child's life has value and should be protected.

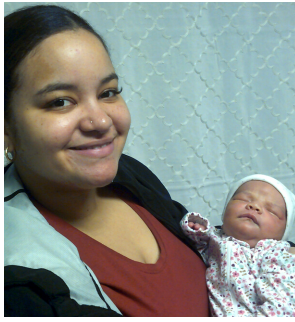

The time to act is now. With your help, we can save more lives and help women and men understand that they are loved and supported. Together we are strengthening families, helping them to appreciate that God loves them and has a plan for their lives and their children's lives.

Thank you for supporting this ministry!

Your Support Creates a Legacy of Love

**Brittany
& Brayden, age 15**

Brayden is a handsome sophomore in high school. He has a black belt in karate and enjoys competing in tournaments. They are enjoying their new puppy Cali! "Brayden has always been a blessing and God continues to show us His love and grace."

**Wendy
& Neveah, age 12**

Wendy is getting married in the spring of 2023! Neveah is entering 6th grade, she loves school and is the light of Wendy's life. They go to church as a family every Sunday and are closing on a house soon. "I can't imagine my life without Neveah, she is just so amazing!"

**Yahayra
& Gabriel, age 10**

Gabriel is a loving, happy boy. He is in 5th grade and is learning how to play the piano. He loves to swim and is an avid reader. "I am so proud of this little man. He and I are very active in our church and God continues to be faithful to us."

Lily & Felix, age 4

Felix is almost 5 years old and will start school this year. "He brings me happiness everyday. When he says Mom I love you and hugs me, he makes me cry with joy. He is such a blessing to us!"

Your support helps women and babies in need. Give a gift that can save and transform lives.

A woman facing an unplanned pregnancy needs support.
If she has no support she is much more likely to have an abortion.

Support New Moms and Babies

\$60 for a month of care/\$360 for 6 months of care

Mentoring, education and prayer changes lives.

All of our services are offered free of charge.

Equip Families with Material Items

\$300 per family

Providing diapers, formula, clothing, food & baby furniture helps to stabilize and strengthen new families.

Help Us Reach More Women

\$150 for a month of ads/\$450 for 3 months of ads

Awareness is key. Reaching women on their phones with Google ads and social media saves lives.

Show a Woman Her Child's Heartbeat

\$250 per ultrasound/\$5000 for 1 month of ultrasounds

Ultrasound images save lives. Seeing their baby move and hearing the heartbeat connects a woman to the life inside her.
