

*The spirit of God has made me;
the breath of the Almighty gives me life.*

Job 33:4

SANCTITY OF HUMAN LIFE MONTH 2023

God is the author of life!

Each January we join churches around the country to remember the Sanctity of Human Life. We celebrate God as the author of life, we commemorate the lives lost to abortion and we commit ourselves to protecting human life at every stage. Although Roe v. Wade was overturned, abortion, especially chemical abortion, is still legal and thriving in our state.

At the Pregnancy Care Center, our purpose is to save and transform lives. For us, that means sharing the gospel to help women see the depth of God's love for them and their unborn children.

Listening to the hearts of vulnerable pregnant women for over 37 years, we understand the fear of an unplanned pregnancy. We offer ultrasound to confirm the pregnancy, education to equip her in her decision and we pray for her. If she decides to parent, we come along side her, supporting her with mentoring, prayer, education, food, clothing and furniture until the baby is a year old and often longer.

You and I have the responsibility to ensure that each of God's precious children are protected and safe. Please join us in praying for a culture of life in this country, vote pro-life, and speak up for the most vulnerable when you have the opportunity.

For more information on the Pregnancy Care Center or to donate visit www.PCCFriends.org. To schedule a tour or to volunteer please call us at 978.373.5700. Thank you!

The logo for the Pregnancy Care Center features a stylized, large right-facing curly brace on the left side. To the right of the brace, the words "Pregnancy" and "Care Center" are stacked vertically in a serif font.
